

# The Tao Of Equus

**Schelli Whitehouse**

**The Tao of Equus (revised)** Linda Kohanov, 2024-06-18 After more than 20 years in print, an updated edition of the evocative and transformational classic about the powerful bond between women and horses. When Linda Kohanov wrote *The Tao of Equus* over twenty years ago, she posed questions that few were asking: Do horses make choices? How do they seem to know what people are thinking and feeling? Are horses spiritual beings? What do they have to teach people? Why are women so attracted to horses? The answers, detailed in this extraordinary chronicle that synthesizes science, behavioral research, and personal insight, transformed how we think about one of humanity's oldest companions and established Kohanov at the vanguard of the emerging field of animal-assisted learning/therapy. In this updated edition, Kohanov weaves new developments in neurological science and scholarship into her original exploration of spiritual awakening, cultural history, and mythology. *The Tao of Equus* delves into the mental and spiritual processes behind the magical connections that people often experience with horses. It remains a powerful exploration of the feminine wisdom horses model, subtleties that women riders have intuited for centuries.

*The Tao of Equus* Linda Kohanov, 2001 An author and equine therapist delves into the mental and spiritual processes behind the magical connections people - especially women - often experience with horses. The title accesses neurological research, cultural history, mythology, and years of first-hand experience.

**100 of the Most Outrageous Comments about the Tao of Equus** Matthew Young, 2013-02 In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of *The Tao of Equus: A Woman's Journey of Healing and Transformation through the Way of the Horse*. Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

**Riding Between the Worlds** Linda Kohanov, 2010-10-05 In this powerful follow-up to her groundbreaking work *The Tao of Equus*, Linda Kohanov introduces provocative new theories about the human-horse connection, theories supported by in-depth experience. "Horses," she maintains, "model an embodied spirituality, one that is both fully present in this world and deeply connected to the soul's divine origins." Kohanov explores how these animals support us on both levels, leading us to

unexpected realizations about fear, intuition, awareness, empowerment, and above all, authenticity.

**The Mist-Filled Path** Frank MacEowen, 2010-09-07 In *The Mist-Filled Path*, Frank MacEowen shows how embracing the indigenous wisdom of Scotland and Ireland can lead to healing and transcendence. Using his own travels and teachings along with Celtic stories and myths, he explores ancient traditions, ecopsychology, the ancient mother, altars and hearths, Oran Mor (the Great Song), contemplation, and mysticism. The book tells how to draw on ancestral roots to find a personal spirituality that also works for the greater good.

**The Lightworkers Healing Method** Lynn McGonagill, 2012-10-16 “Filled with insight, wisdom and 21st Century techniques . . . [this manual] is a big leap into a new dimension of healing . . . brilliantly simple.” —Gay Hendricks, Ph.D., New York Times–bestselling author of *The Big Leap* and *Conscious Loving* Do you ever ask: Is this all there is? Do you want more health, joy, peace, love, or abundance in your life? Do you wish you could help loved ones through their challenges in a meaningful way? Do you want that kind of help for yourself? Are you moved to do something else, but don’t know what it is? Do you wish you had “the gift” that would let you hear messages from the Angels and Guides, connect with past lives, or see the future? Welcome to the Lightworkers Healing Method. LHM is both a spiritual growth vehicle and a healing system with an exceptional goal: to align us with our soul’s life purpose. It improves the present by working with both past and future lives as well as higher-dimension Guides, Angels, and Lightbeings in a unique and powerful process. LHM applies to any arena of life: physical, mental, emotional, spiritual, financial, or interpersonal. In this method of healing, we learn to become conduits for Divine energy to help ourselves and others succeed. *The Lightworkers Healing Method: BE Who Your Soul Wants You To Be* is a how-to manual for this system of energy healing. Channeling Divine healing is not a gift; it is a teachable, learnable skill. Now it can be your skill. Be who your soul came here to be; live the life you came here to live. Help others do the same. As we each do our part, the world transforms. Come join us in the transformation.

**The Five Roles of a Master Herder** Linda Kohanov, 2017-11-05 Includes Assessment Tool for Analyzing Your Leadership Style and Becoming a Better Leader In *The Five Roles of a Master Herder*, Linda Kohanov adapts horse-inspired insights into powerful tools for developing collaborative leadership and managing change. Over thousands of years, Kohanov writes, “master herders” of nomadic herding cultures developed a multi-faceted, socially intelligent form of leadership combining the five roles of Dominant, Leader, Sentinel, Nurturer / Companion, and Predator. The fluid interplay of these roles allowed interspecies communities to move across vast landscapes, dealing with predators and changing climates, protecting and nurturing the herd while keeping massive, gregarious, often aggressive animals together — without the benefit of fences and with very little reliance on restraints. She includes an innovative assessment tool to help you determine which roles you currently overemphasize and which roles you may be ignoring — or even actively avoiding. Through this powerful and surprising book, Kohanov will show you how to recognize, cultivate, and utilize all five roles in the modern

tribes of your workplace, family, and other social organizations.

**The Trauma Tool Kit** Susan Pease Banitt,2012-05-01 Offers insight into the causes of the mental and physical stresses of post traumatic stress disorder and provides techniques and exercises to regulate and heal the body and mind and promote recovery.

Falling into the Rhythm of Life Sharon Campbell-Rayment,2016-07-26 In every tragedy there is the ability to heal and rise above the challenge. In *Falling into the Rhythm of Life*, author Sharon Campbell-Rayment leads readers through her personal story of a devastating accident and her path to healing and recovery. She also provides readers with helpful lessons, tips and techniques called – Life Lessons Straight From the Horse's Mouth – written to equip readers on their own journeys.

**Newcomer to the Horse World** Andrea Sinner,2024-11-05 Andrea Sinner embarked on her equestrian journey at age 30 while navigating an all-consuming global consulting career. A neophyte with little to guide her but passion, she found the horse world's customs and complexities challenging. After 25 years of hard-earned lessons and continuous growth, Sinner now shares the wisdom she fought to gain along the way, with a book for adults who are newcomers to the equestrian lifestyle as she once was. Whether riders themselves or the parents of horse-crazy children, the equestrian realm can be daunting and often perplexing to those beginning their journey with horses. Luckily, Sinner's book serves as a comprehensive insider's guide, offering a sensible pathway to enjoying the company of horses while always advocating for their welfare. Sinner's advice is clear and on point, helping readers confidently find their place among both the professionals and the lifelong enthusiasts in this unique world. Rather than focusing on horse care or riding—topics she acknowledges are well covered in existing published works—Sinner aims to help readers integrate smoothly into the equestrian community on their own terms. She deftly demystifies the often bewildering culture, traditions, conventions, and unwritten rules, and offers “watch-outs” to help shield the novice from the less savory characters and practices that unfortunately can be encountered in the industry. You'll find advice on: Appreciating the unique language, relationships, and responsibilities Defining your values, boundaries, and objectives Understanding the financial costs, including (most importantly) exceptional horse care Finding the right barn, trainer, and horse Building a quality horse care team Being a good client and member of the barn Preparing for the psychological elements of the sport And much more Throughout, Sinner delves into what it means to intend to “do right” by horses and guides readers on extending their involvement in the sport only as far as that intention can be realized. Learn how to form deep connections and elevate your time spent with horses and horse people from a hobby to a transformative journey. Whether taking up riding for the first time (ever, or in many years) or guiding a horse-crazy child through the maze of learning to ride, Sinner's thorough and thoughtful book promises positive experiences and happy moments in the barn, at the ring, and in the company of your horse.

**Walking the Way of the Horse** Leif Hallberg,2008-10 Since time eternal horses have walked beside us, helping to

shape our destinies, taking us on journeys of the soul, and offering as a gift their power, mystique, and beauty. While it has taken some time, mental health professionals and educators alike have begun to formally acknowledge the emotional, mental and physical benefits that humans can receive by spending time with horses. In the U.S. alone, there are already more than 900 programs that offer therapeutic or educational programming provided in partnership with horses. Leif Hallberg has extensively researched the field of Equine Facilitated Mental Health and Educational Services, and this book reveals the many ways horses can help humans. Become familiar with: Key definitions Historical information about working with horses in therapeutic and educational settings Ethical considerations Practical applications Learn more about the healing power of horses and their rich history of working together with humans in *Walking the Way of the Horse*. For additional information about this book, and Leif Hallberg visit [www.walkingthewayofthehorse.com](http://www.walkingthewayofthehorse.com)

**The Business of Coaching with Horses** Schelli Whitehouse, 2018-09-04 *The Business of Coaching with Horses* is the definitive business guide for equine-assisted professionals to reach more clients so they can feed their horses and change the world! Horse coaching and therapy benefits are unique and sometimes 'mysterious'. In *The Business of Coaching with Horses*, Equine Alchemy Certified Coach and Facilitator Schelli Whitehouse illustrates exactly what it takes to experience balance, abundance, and a sustainable equine-assisted coaching practice. Schelli's own life journey and work with horses has become an integrated celebration of purpose and prosperity as she works to see equine-assisted coaching and therapy become a valuable 'go-to' modality for personal and professional transformation—as popular as yoga and Starbucks! Through colorful personal stories, client case studies, and advice from industry experts, *The Business of Coaching with Horses* guides equine-assisted practitioners through 7 essential skills for building a thriving business with horsepower. Complete with an online companion workbook, Schelli helps readers establish and build upon their own foundation of personal core principles and unique expertise in order to provide value, structure, and transformation for their ideal clients. Part business branding, part money mindset mastery, and part service design, *The Business of Coaching with Horses* is a loving kick-in-the-pants and a journey to the heart of success for any Horse and Soul Business.

**The Elements of Horse Spirit** Debra DeAngelo, 2020-06-08 *Develop a Deep, Magical Bond with Humanity's Oldest Spirit Ally* Harness the amazing spiritual power of horses with this brilliant book on bridging the physical world of horses with the metaphysical realm of Horse Spirit. You'll enhance your life by connecting to equine energy and forging a powerful bond with actual horses and spirit guides. Explore the myths and history of horses as well as the long-lived symbiotic relationship humans have with them. Discover practical horsemanship activities and advice, techniques for working with the four elements, and hands-on exercises to strengthen your energetic connection to horses. This groundbreaking book also helps you choose the best horse for you, both physically and spiritually, and live in harmony with him. Through heartwarming personal stories and well-researched insights, Debra DeAngelo reveals the incredible ways in which horses heal, ground, and

teach you to be better in everything you do.

**Hope . . . From the Heart of Horses** Kathy Pike, 2009-04-22 "I'm thrilled to recommend this book as one of the finest narratives on what horses have to teach people about life, love, power, and connection." —Linda Kohanov, author, *The Tao of Equus*, from her Foreword **Hope . . . From the Heart of Horses** explores and celebrates the relationship and bond possible between horses and humans. Each chapter offers a life lesson about trusting one's instincts, honestly addressing emotions, achieving clarity in communications, and releasing negative thoughts. Because survival depends on being highly tuned to the thoughts and feelings of others, horses sense human intentions rather than what a person offers in facial expressions, which creates a remarkable effect on the relationship between these two distinctly different species. Among the moving stories the author relates are a horse named Hope who teaches the difference between hope and faith; an abused horse's background bringing up old memories and helping the author to move on; a young Olympic equestrienne hopeful who discovers and reaffirms her self-esteem; and a corporate training session in which one participant achieves great success merely by being honest about her fears. As you see how these people grow deeper into themselves as they learn the horse's way, you, too, will be inspired to explore and apply the deep and everlasting connection and communication between horses and humans.

**Living in the Borderland** Jerome S. Bernstein, 2006-02-01 *Living in the Borderland* addresses the evolution of Western consciousness and describes the emergence of the 'Borderland,' a spectrum of reality that is beyond the rational yet is palpable to an increasing number of individuals. Building on Jungian theory, Jerome Bernstein argues that a greater openness to transrational reality experienced by Borderland personalities allows new possibilities for understanding and healing confounding clinical and developmental enigmas. There are many people whose experiences of reality is outside the mainstream of Western culture; often they see themselves as abnormal because they have no articulated frame of reference for their experience. The concept of the Borderland personality explains much of their experience. In three sections, this book examines the psychological and clinical implications of the evolution of consciousness and looks at how the new Borderland consciousness bridges the mind-body divide. Subjects covered include: · Genesis: Evolution of the Western Ego · Transrational Data in a Western Clinical Context: Synchronicity · Trauma and Borderland Transcendence · Environmental Illness Complex · Integration of Navajo and Western healing approaches for Borderland Personalities. *Living in the Borderland* challenges the standard clinical model, which views normality as an absence of pathology and which equates normality with the rational. Jerome S. Bernstein describes how psychotherapy itself often contributes to the alienation of Borderland personalities by misperceiving the difference between the pathological and the sacred. The case studies included illustrate the potential this has for causing serious psychic and emotional damage to the patient. This challenge to the orthodoxies and complacencies of Western medicine's concept of pathology will interest Jungian Analysts, Psychotherapists, Psychiatrists and other physicians, as well as educators of children. Jerome S. Bernstein is a Jungian Analyst in private

practice in Santa Fe, New Mexico

The Amazons Adrienne Mayor, 2016-02-09 The real history of the Amazons in war and love Amazons—fierce warrior women dwelling on the fringes of the known world—were the mythic archenemies of the ancient Greeks. Heracles and Achilles displayed their valor in duels with Amazon queens, and the Athenians reveled in their victory over a powerful Amazon army. In historical times, Cyrus of Persia, Alexander the Great, and the Roman general Pompey tangled with Amazons. But just who were these bold barbarian archers on horseback who gloried in fighting, hunting, and sexual freedom? Were Amazons real? In this deeply researched, wide-ranging, and lavishly illustrated book, National Book Award finalist Adrienne Mayor presents the Amazons as they have never been seen before. This is the first comprehensive account of warrior women in myth and history across the ancient world, from the Mediterranean Sea to the Great Wall of China. Mayor tells how amazing new archaeological discoveries of battle-scarred female skeletons buried with their weapons prove that women warriors were not merely figments of the Greek imagination. Combining classical myth and art, nomad traditions, and scientific archaeology, she reveals intimate, surprising details and original insights about the lives and legends of the women known as Amazons. Provocatively arguing that a timeless search for a balance between the sexes explains the allure of the Amazons, Mayor reminds us that there were as many Amazon love stories as there were war stories. The Greeks were not the only people enchanted by Amazons—Mayor shows that warlike women of nomadic cultures inspired exciting tales in ancient Egypt, Persia, India, Central Asia, and China. Driven by a detective's curiosity, Mayor unearths long-buried evidence and sifts fact from fiction to show how flesh-and-blood women of the Eurasian steppes were mythologized as Amazons, the equals of men. The result is likely to become a classic.

*Human-Horse Relations and the Ethics of Knowing* Rosalie Jones McVey, 2023-03-31 This book explores how equestrians are highly invested in the idea of profound connection between horse and human and focuses on the ethical problem of knowing horses. In describing how 'true' connection with horses matters, Rosalie Jones McVey investigates what sort of thing comes to count as a 'good relationship' and how riders work to get there. Drawing on fieldwork in the British horse world, she illuminates the ways in which equestrian culture instills the idea that horse people should know their horses better. Using horsemanship as one exemplary instance where 'truth' holds ethical traction, the book demonstrates the importance of epistemology in late modern ethical life. It also raises the question of whether, and how, the concept of truth should matter to multispecies ethnographers in their ethnographic representations of animals.

**Horses and the Mystical Path** Adele Von Rust McCormick, Thomas McCormick, 2010-09-24 On a trip to Scotland, the psychotherapist family team of Adele, Deborah, and Thomas McCormick — pioneers in the psychotherapeutic use of horses — discovered that early Celtic mysticism held important insights into an equestrian-partnered spirituality. The McCormicks show how to integrate this spirituality with psychology, forming a new, powerful form of healing. Horses and the Mystical

Path recounts their memorable journey and the lessons they learned from their amazing equine guides.

**The Power of the Herd** Linda Kohanov, 2015-07-20 Linda Kohanov is beloved for her groundbreaking articulation of “the way of the horse,” an experiential wisdom known to riders for centuries but little studied or adapted to off-horse use. Now Kohanov takes those horse-inspired insights on the nonverbal elements of exceptional communication and leadership into the realms of our workplaces and relationships. Here we explore the benefits of “nonpredatory power” in developing assertiveness, fostering creativity, dealing with conflict, and heightening mind-body awareness. In “A Brief History of Power,” the first part of this far-reaching book, Kohanov profiles cultural innovators who employed extraordinary nonverbal leadership skills to change history, usually on horseback: Winston Churchill, George Washington, Alexander the Great, and Siddhartha Gautama (the Buddha), among others. She also draws on the behavior of mature horse herds, as well as the herding cultures of Africa and Mongolia, to debunk theories of dominance hierarchies, challenge ingrained notions of “survival of the fittest,” and demonstrate the power of a consensual leadership in which governing roles are fluid. Kohanov then adapts these lessons into twelve powerful guiding principles we can all incorporate into our work and personal lives. Eloquent and provocative, this is horse sense for everyone who seeks to thrive in the herds we all run in — our communities, careers, families, and friendships.

*Aikido Off the Mat* Kathy Park, 2018-08-07 A deeply personal and compelling memoir that illustrates how the basic principles of Aikido can help us cope with the challenges of life outside the dojo. Drawing from more than forty years of experience as an Aikido practitioner and teacher, Kathy Park explains how principles such as embodiment, grounding, centering, extension, 360-degree awareness, blending, and alignment can be applied to everyday life. Candid stories from her own life show how the purpose of practicing Aikido on the mat is to take it off the mat and into the world.

Yeah, reviewing a ebook **The Tao Of Equus** could amass your close associates listings. This is just one of the solutions for you to be successful. As understood, success does not recommend that you have fabulous points.

## **The Tao Of Equus Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The Tao Of Equus has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Tao Of Equus has opened up a world of possibilities. Downloading The Tao Of Equus provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Tao Of Equus has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Tao Of Equus. These websites range from academic databases offering research papers and journals to

online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Tao Of Equus. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Tao Of Equus, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Tao Of Equus has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.

## FAQs About The Tao Of Equus Books

1. Where can I buy The Tao Of Equus books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Tao Of Equus book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
