Intranet Design: The Ultimate Guide Off-The-Shelf Or On-Premise Intranets With this option, you create your intranet by downloading software (such as Sharepoint or WordPress), which is then hosted on the company server. **What is & Why do we need an Intranet?** Processes usually part of a bigger process. Intranets should model the actual business process by bringing together all the tasks that make up that process. Some processes may be relatively simple, such as tracking deliveries, getting approval ...

The Modern Intranet: A Guide for IT Teams In this section, we cover some of the fundamentals about intranets. What is an intranet? An intranet is a private, internal website for employees that helps them get things done, stay up to date with what's going on, and find information they need to carry out their role.

The Internet, Intranets, and Extranets Using the HTTP protocol, the browser sent a request (along with cookies) to the server, asking for the file /webpages/courses.htm. The server then sent HTML text (along with cookies) for the web page to the browser. It is possible and common for a machine to be both a client and a server.

INTRANETS AS A TOOL FOR COMMUNICATION, ... Intranets are information systems that capture and present an organization's knowledge base. In this paper, the term intranet is defined and its parts explained. Challenges faced by today's intranets are also examined. This paper shows that intranets facilitate communication, collaboration and knowledge management. Headings:

Intranets and Extranets - Springer Intranets support intrabusiness activities, while extranets support business-to-business (B2B) e-commerce. An intranet will target managers, sales representatives, executives, and other employees within an organization.

INTRANETS In this chapter, we'll start by defining what an intranet is and how the intranet can be used by your organization. You have probably heard the term intranet used and may have used one in your own organization. Now, you are in a position to understand the options your organization has in the design and use of an internal network.
