Kingdom Prologue Meredith G. Kline, 2006-02-01 As intimated by the subtitle, 'Genesis Foundations for a Covenantal Worldview', the immediate literary focus of this study is the book of Genesis and its account of the formative ages in the eschatological movement of the kingdom of God from creation to consummation. As also indicated by the subtitle, our biblical-theological commentary on Genesis is designed to uncover the foundations of God's covenantally administered kingdom with its major historical developments and its institutional structures and functions. herself. But first she hopes to learn the enemies' secrets. This way, she'll prove her worth to the royal family once she escapes.
