El mundo de hoy, la clase obrera y la paz Adolfo Mejía González,1982

Escritura y universidad Patiño Díaz, Gustavo,2013-09-25 ¿Cómo citar correctamente?, ¿cuál es la diferencia entre una bibliografía y una lista de obras citadas?, ¿cuál es el orden de las partes de un libro académico?, ¿cómo se estructura un libro científico? Este trabajo brinda un amplio y actualizado panorama sobre los derechos de autor en las universidades, ahonda en la forma adecuada de citar y expone los principales casos de referencias bibliográficas según seis sistemas normativos: APA, MLA, Vancouver-NLM, Chicago, IEEE e Icontec, con el fin de servir de guía para autores de las más diversas disciplinas.

Geografías del desorden José Luis Pérez Pont,Norberto Piqueras Sánchez,2006 El sistema econòmic dominant posseeix la característica de sembrar la pobresa i desarticular socialment les àrees geogràfiques que queden als marges de l'imperi tecnoestructural. La proliferació de situacions d'insostenibilitat en aquests marges, juntament amb la projecció mediàtica de

l'abundància al Primer Món, porta dècades generant importants fluxos migratoris que procedeixen de les zones més deprimides. «Geografies del desordre» pretén ser un estudi en el qual contribueixen diversos autors des de les seues àrees de coneixement, s'analitza el fenomen migratori des de la perspectiva de la geografia humana i des d'altres ciències afins, com l'antropologia, la sociologia, l'urbanisme, la demografia, l'ecologia, l'economia i el dret. Intenta delimitar els amplis matisos d'aquesta problemàtica, tot oferint al seu torn exemples de nous models d'autodesenvolupament que diferents comunitats han posat en marxa, experiències de cooperació internacional amb països emissors, així com accions d'integració social al país receptor, sense oblidar la modificació de la configuració social dels llocs d'eixida massiva i les seues conseqüències en el teixit familiar.

Diario de los debates Peru. Congreso. Cámara de Senadores,1951

Los últimos capitalismos Jorge G. Castañeda,1982

Tantos a Favor Vs. Tantos En Contra Jacobich Mileto Alexandropoulos Zaitsev,2018-08-20 El libro comenz a escribir en abril del 2016 despues de la visita de Obama a Cuba y se termin en lo fundamental en jul. del mismo ao. A la muerte de FCR en nov. de ese ao el libro no se haba publicado pero se dej en su forma original sin hacer cambios por el fallecimiento de quien es objeto principal en el libro. Es un libro necesario para entender a dnde la clase en el poder ha conducido al pas en casi seis dcadas de desgobierno; es el punto de vista del autor considerando lo positivo y lo negativo por lo que ha atravesado la nacin; es un libro para abrir los ojos, para pensar sobre la vida que an llevan millones de cubanos dentro de la isla, para entender porqu otros millones se han ido de la isla y an siguen yndose a cualquier paraje, el caso es no permanecer all donde no se ha encontrado la va, para quitarse de encima el enorme fardo de una revolucin devenida en dictadura, es un libro para polemizar, para ver por qu si este sistema es tan bueno an as se siguen yendo los habitantes del pas; es para enfrentar la triste verdad de que no se puede seguir con el curso que la plutocracia le ha dado al ro, hay que desviarlo. La propuesta es completamente seria, tiene un elevadísimo grado de stira, de burla sobre los que han querido matar la inteligencia que todava queda en la poblacin.
