

Manual Didactico Sobre Acompañamiento Terapeutico Gratis

Leonel Dozza de Mendonça

Manual didáctico sobre acompañamiento terapéutico Susana Schneeroff, Sonia Edelstein, 2004

Article de presse sur "le Danger", d'Auguste Arnault ,

Introducción al Acompañamiento Terapéutico Sergio Fernando Sálíche, 2021-11-25 Una introducción al Acompañamiento Terapéutico nos espera en estas páginas, como el camino que pudiera proseguirse luego de varios años de su constante perseverancia. Porque el libro que aquí se abre marca un recorrido, marca la senda que fue constituyendo Sergio Fernando Sálíche desde su experiencia clínica, junto con otros, pacientes, Redba (Red Asistencial de Buenos Aires), etc., donde puede reconocerse como uno de sus frutos primordiales la amenidad al dirigirse al otro y la facilidad de proponer los conceptos fundamentales del AT. El autor nos cuenta desde la historia del AT, su función, hasta lo necesario de las supervisiones, el trabajo en equipo o el manejo de los psicofármacos (entre otras tantas cosas). Pero va más allá, gracias a su formación psicoanalítica, puede proponernos las diferencias entre la psiquiatría y el psicoanálisis (incluso otras terapéuticas), para poder posicionarse frente a las diversas patologías, pero, exclusivamente, frente al sujeto y sus síntomas.

Acompañamiento terapéutico y clínica de lo cotidiano 2a edición Leonel Dozza de Mendonça, 2018-04-02 El Acompañamiento Terapéutico es un método de intervención que tiene lugar en los contextos comunitario y doméstico, lo cual impone la necesidad de conceptualizar acerca de las especificidades que conforman la estructura de su clínica. Si se compara con otras prácticas de tratamiento y rehabilitación, no sería equivocado decir que el Acompañamiento Terapéutico se asienta en una estructura más compleja, polifacética y polifónica, en el sentido de que está atravesada por un sinfín de espacios, situaciones y personajes de la vida cotidiana del paciente (familiares, amigos, vecinos, camareros... perros, gatos y otras mascotas). Todo ello constituye una maraña de vínculos que conforman el campo de intervención del Acompañante Terapéutico. Y para que esta maraña no se convierta en un caos sin referencia o en telaraña que atrapa, el acompañante tendrá que mapearla con una estructura que le dé sentido... para que la maraña sea red. A esta estructura el autor la denomina clínica de lo cotidiano. A lo largo del libro el autor va tejiendo esta estructura apoyándose en los escritos de Winnicott acerca del desarrollo emocional primitivo y la clínica, pero lo hace no para someterla al discurso psicoanalítico,

sino para gestar conceptos que traten de dar cuenta de las especificidades propias del Acompañamiento Terapéutico. El libro aborda conceptos tales como: Manejo Clínico-Asistencial, Encuadre Ambulante y Abierto, Amistad Transicional, Intervenciones Escénicas, Acción Interpretativa, Función de Interdicción y Función Especular, Clínica del Absurdo, para culminar con un último capítulo acerca del Juego y el Humor. Todas estas conceptualizaciones han sido gestadas en la tesis doctoral que el autor presentó en 2012, y son el resultado de más de treinta años de experiencia en el campo del Acompañamiento Terapéutico y la salud mental en general.

Citas, textos, ideas sobre el acompañamiento terapéutico Lic. Vladimiro Chiattoni, 2025-01-06 El Prof. Vladimiro A. Chiattoni, con una vasta trayectoria en el ámbito de la salud y la educación, ha dedicado su vida a la formación y acompañamiento terapéutico. Su trabajo ha trascendido fronteras, desde Cuba hasta Argentina, donde ha sido docente en universidades y centros educativos. A lo largo de su carrera, ha sido un referente en la formación de profesionales en salud, la inclusión social y el apoyo a personas vulnerables, como los desplazados y los niños en situación de riesgo. Su enfoque integral ha impactado positivamente en la formación de nuevos profesionales en el ámbito de la salud.

Acompañamiento Terapéutico en España Alejandro Chévez Mandelstein (Coord.), 2021-05-07 Si bien el Acompañamiento Terapéutico no es nuevo en España, esta es la primera publicación realizada y editada en España; en él escriben los principales representantes del Acompañamiento Terapéutico en España y Latinoamérica, donde viene implementándose desde principios de los años 70. El Acompañamiento Terapéutico es uno de los modelos de intervención sociocomunitaria más difundido en el mundo, se caracteriza por su versatilidad, habiéndose implementado con eficacia en el ámbito hospitalario clínico-asistencial, el educativo y el judicial, así como en la intervención social con diferentes colectivos, a saber: personas con enfermedad mental, drogodependencia, patología dual, discapacidad intelectual, física, etc. Además de su influencia en los actuales dispositivos de intervención sociocomunitaria, el Acompañamiento Terapéutico aporta técnicas y estrategias útiles para cualquier persona que trabaje con personas en el domicilio, en la calle y en el espacio cotidiano. Este libro está dirigido a todas aquellas personas que quieren realizar un acompañamiento especializado en el propio entorno de la persona, mediante técnicas y estrategias específicas para tal fin. En este libro encontraréis consejos y experiencias para realizar esa tarea, así como un marco teórico útil para comprender la complejidad y la responsabilidad que un Acompañamiento Terapéutico conlleva.

Manual Didactico Sobre Acompañamiento Terapeutico Gratis Book Review: Unveiling the Power of Words
