**Fredrik Backman**

**The Deal of a Lifetime** Fredrik Backman, 2017-10-31 In this short story enhanced with beautiful illustrations, the bestselling author of *A Man Called Ove*, *Beartown*, and *Anxious People* delivers an insightful and poignant tale about finding out what is truly important in life. A father and a son are seeing each other for the first time in years. The father has a story to share before it's too late. He tells his son about a courageous little girl lying in a hospital bed a few miles away. She's a smart kid—smart enough to know that she won't beat cancer by drawing with crayons all day, but it seems to make the adults happy, so she keeps doing it. As he talks about this plucky little girl, the father also reveals more about himself: his triumphs in business, his failures as a parent, his past regrets, his hopes for the future. Now, on a cold winter's night, the father has been given an unexpected chance to do something remarkable that could change the destiny of a little girl he hardly knows. But before he can make the deal of a lifetime, he must find out what his own life has actually been worth, and only his son can reveal that answer. With humor and compassion, Fredrik Backman's *The Deal of a Lifetime* reminds us that life is a fleeting gift, and our legacy rests in how we share that gift with others.

**The Deal of a Lifetime** Fredrik Backman, 2017-10-31 It's Christmas Eve morning. Years ago a man abandoned his son to pursue professional success; now he wonders if it's too late to forge a relationship with him. One week earlier, in a hospital late at night, the man met a five-year-old girl with cancer. When the man is given the chance to do something selfless that could change the destiny of the little girl in the hospital bed, he needs to find out what his own life has actually been worth in the eyes of his son before he makes the deal of a lifetime.

*Deal of a Lifetime* T. R. McClure, 2017-09-05 Could this finally be her time? Serafina Callahan has always been the responsible one, sacrificing her dreams to keep her family's Pennsylvania farm afloat. Now, after ten years of hard work, here comes someone who could change her life in a major way. All Sera has to do is say yes. It would mean selling the place Callahans have lived on and owned for almost a century. But Sera's starting to have major feelings for the big-city lawyer who flew home to negotiate the deal. While there's a lot Sera isn't sure of—Alex Kimmel's motives, his questionable past in Bear Meadows—she can't forget their kiss. Is it enough to build a brand-new dream on?

*How We Lead Matters: Reflections on a Life of Leadership* Marilyn Carlson Nelson,2008-08-21 From the woman named one of “America's Best Leaders” by U.S. News & Report Powerful insights into the practice of motivation Marilyn Carlson Nelson has achieved global recognition for the Carlson brands of hotels, restaurants, cruise, travel, and marketing services. But that's only part of the story. As a daughter, wife, mother, and grandmother, Marilyn has always put people first. When her grandson asked a simple question about her life, she decided to write it all down-her fondest memories and deepest insights-in *How We Lead Matters: Reflections on a Life of Leadership*. This thoughtful book offers a surprisingly personal glimpse into a multi-faceted woman who happens to be one of the most successful CEOs in the world. She describes the thrill of flying in an F16 over Death Valley (without getting sick), and throwing a barbeque for the KGB (who preferred vodka to the traditional beer). She shares the difficulty of making choices and sacrifices to run her family's business, and the heartbreak of losing a child. Her insights are sprinkled with the timeless words of Mahatma Gandhi, Anne Frank, Oscar Wilde, Albert Einstein, Mark Twain, and others, as she talks about what it's like to be a woman in today's business world, while reflecting on an engaging array of subjects-from equal rights to corporate wrongs to motherhood. Most compelling of all, she reveals how a meaningful legacy is built one day at a time.
