When back, if I say "Out of office until Thursday" Sep 17, 2014 · I am always confused when I get an email stating "out of office until Thursday". Is the sender back on Thursday or still out of office (o.o.o.) on Thursday and only back on Friday? Is there a good "20th century" vs. "20th century" - *English Language & Usage* ... When writing twentieth century using an ordinal numeral, should the th part be in superscript? 20th century 20th century **Meaning of "by" when used with dates - inclusive or exclusive** Aug 28, 2014 · As others have specified, the word by is generally synonymous with no later than when referring to a date or time. However, it is important to note (and this is why I am adding another answer) that if all you know is "The work must be completed by MM-DD-YYYY", then the exact due date is still ambiguous. Without additional information, 'due by MM-DD-YYYY' has a fair chance of meaning: Due at or ... **which one is correct I will be on leave starting on October 4th till ...** Oct 1, 2019 · Your second option most clearly states when you'll be on leave. Saying "till" doesn't make it clear if you're returning the morning of the 5th, or if the 5th is included in your leave. To be absolutely clear, you should state when you leave and when you return. I will be on leave October 4th and 5th, and I will return October 6th. This makes it clear which days you will not be in ... **meaning - How should "midnight on..." be interpreted? - English ...** Dec 9, 2010 · Straddling Thursday and Friday Straddling today and tomorrow but should they technically mean: straddling the 9th and the 10th of December? straddling Wednesday and Thursday? This is much less clear. Technically is there a midnight "tonight", or is midnight "tomorrow morning"? What do you think? How should "midnight" be interpreted? *Why doesn't "ninth" have an "e", like "ninety"?* Aug 4, 2011 · Is it just because "ninth" has only one syllable? That wouldn't make sense, though, because saying "NINE-ith" wouldn't be worse than saying "NINE-e-tee". If we were used to "nineth", we would hav... **What do we call the "rd" in "3rd" and the "th" in "9th"?** Aug 23, 2014 · Our numbers have a specific two-letter combination that tells us how the number sounds. For example 9th 3rd 301st What do we call these special sounds? **The use of "Between" in dates. Which days are included?** When writing on a certificate "between the 28th March and the 9th April" does it mean the same as "from the 28th March to the 9th April" ? **How did "September" shift from 7th month to 9th month of a ...** Oct 25, 2018 · Therefore I suppose their original meaning were from " 7th month of a year" to " 10th month of a year". Apparently those words stand for " 9th month" to " 12th month" nowadays, so why and how did this happen? **Renumeration vs Remuneration (reimbursed financially), which is ...** For my entire life, I thought the correct

word was Renumeration. But after reading a document that used Remuneration I checked google and apparently I was wrong. The oxford dictionary has a link to
