No Longer Human Osamu Dazai, 2012-09-30 The poignant and fascinating story of a young man who is caught between the breakup of the traditions of a northern Japanese aristocratic family and the impact of Western ideas. Mine has been a life of much shame. I can't even guess myself what it must be to live the life of a human being. Portraying himself as a failure, the protagonist of Osamu Dazai's *No Longer Human* narrates a seemingly normal life even while he feels himself incapable of understanding human beings. His attempts to reconcile himself to the world around him begin in early childhood, continue through high school, where he becomes a "clown" to mask his alienation, and eventually lead to a failed suicide attempt as an adult. Without sentimentality, he records the casual cruelties of life and its fleeting moments of human connection and tenderness. Still one of the ten bestselling books in Japan, *No Longer Human* is an important and unforgettable modern classic: "The struggle of the individual to fit into a normalizing society remains just as relevant today as it was at the time of writing." (The Japan Times)

No Longer Human 人間失格, 1958 A young man describes his torment as he struggles to reconcile the diverse influences of Western culture and the traditions of his own Japanese heritage.

Osamu Dazai's No Longer Human Osamu Dazai, 2023-11-21 I've led a life full of shame. Human beings are a complete mystery to me. This manga version of novelist Osamu Dazai's masterpiece *NO LONGER HUMAN*—the #2 bestselling novel of all time in Japan—tells the story of Yozo Oba, a young man growing up in Japan in the immediate aftermath of World War II, who finds himself caught between the disintegration of the traditions of his aristocratic provincial family and the impact of the new postwar world. Oba is tormented by a failure to find any value in himself or in human relationships, despite being surrounded by women who love him. He creates the persona of a buffoon who mocks himself while entertaining others. But inside he is tortured, and as he moves from childhood to adulthood he becomes addicted to sex and alcohol. Largely autobiographical, *No Longer Human* explores Dazai's own sense of failure and alienation which drove him to self-destruct with alcohol and numerous suicide attempts. Osamu Dazai (1909—1948) is Japan's second most popular novelist (after Soseki), and his works are seeing a huge surge in popularity among young people worldwide thanks to the success of the recent manga, anime and film series *Bungo Stray Dogs*, whose protagonist, a detective called Osamu Dazai, has similar character traits to Yozo Oba. Fans of manga and anime are turning to the original *No Longer Human* novel, whose themes of

alienation from society and an inability to reconcile social appearances with inner self—told with great wit, irony and pathos—strike a deep chord among readers today. **Recommended for readers ages 16+ due to mature themes and graphic content**

No Longer Human - Dazai Osamu Osamu Dazai, 2025-08-08 No Longer Human is a deeply introspective exploration of alienation, identity, and the struggle for self-acceptance in a rapidly changing society. Osamu Dazai presents the fragmented life of Ōba Yōzō, a man unable to reconcile his outward persona with his inner despair, navigating a world where human connection feels impossible and authenticity seems unattainable. Through a series of confessional notebooks, the narrative confronts the psychological disintegration of its protagonist, revealing the corrosive effects of isolation, guilt, and societal expectations. Since its publication, No Longer Human has been recognized as one of the most significant works of modern Japanese literature, praised for its unflinching honesty and emotional depth. Its exploration of universal themes such as the fear of rejection, the search for meaning, and the destructive consequences of self-alienation has resonated with readers across cultures and generations. The novel's stark portrayal of mental anguish and existential crisis continues to speak to those grappling with the tension between their inner selves and the facades they present to the world. The enduring power of No Longer Human lies in its capacity to strip away illusions and confront the raw, uncomfortable truths about the human condition. By examining the fragile boundaries between authenticity and performance, belonging and estrangement, Dazai

invites readers to reflect on the cost of disconnection — and on the profound human need for understanding, compassion, and genuine connection.

No Longer Human Junji Ito, 2019-12-17 Mine has been a life of much shame. I can't even guess myself what it must be to live the life of a human being. Plagued by a maddening anxiety, the terrible disconnect between his own concept of happiness and the joy of the rest of the world, Yozo Oba plays the clown in his dissolute life, holding up a mask for those around him as he spirals ever downward, locked arm-in-arm with death. Osamu Dazai's immortal—and supposedly autobiographical—work of Japanese literature, is perfectly adapted here into a manga by Junji Ito. The imagery wrenches open the text of the novel one line at a time to sublimate Yozo's mental landscape into something even more delicate and grotesque. This is the ultimate in art by Ito, proof that nothing can surpass the terror of the human psyche. -- VIZ Media

The Author's Presence in the Select Fictional Elements of Osamu Dazai's No Longer Human Louren Jay Caballero; Christia Mae Rodriguez; Mark Paul Famat, 2023-03-16 A footprint of reality dwells in every pen a writer holds. Whenever it inks from one page to the next, it is inevitable for him to contribute a piece of himself to the narrative. The resemblance stays uncanny to the writer who writes from the heart and unconsciously reveals himself in his work. This research paper wanders beyond the walls of fiction as it exposes the reality of the dark life of the author, evident in every flip of his book, every plot in motion, every character in conflict, and every milieu in sight.

A Shameful Life Osamu Dazai, 2018-11-13 Recipient of the 2018 William F. Sibley Memorial Subvention Award for Japanese Translation A new, definitive translation of the postwar classic known to the west as No Longer Human—a tortured vision inspiring the likes of Junji Ito and Bungo Stray Dogs Osamu Dazai is one of the most famous—and infamous—writers of 20th-century Japan. A Shameful Life (Ningen Shikkaku) is his final published work and has become a bestselling classic for its depiction of the tortured struggle of a young man to survive in a world that he cannot comprehend. Paralleling the life and death of Dazai himself, the delicate weaving of fact and fiction remorselessly documents via journals the life of Yozo, a university student who spends his time in increasing isolation and debauchery. His doomed love affairs, suicide attempts, and constant fear of revealing his true self haunt the pages of the book and reveal a slow descent into madness. This dark tale nevertheless conveys something authentic about the human heart and its inability to find its true bearing. Gibeau's translation cements A Shameful Life's place in the existentialist literary canon from Dostoevsky to Camus. Fans of Bungo Stray Dogs will recognize Osamu Dazai as one of the characters named after the giants of Japanese literature. Those familiar with the numerous adaptations in graphic novels and animation can experience the source material in faithful, modern prose.

The Contemporary Writer and Their Suicide Josefa Ros Velasco, 2023-07-05 This volume is the continuation of the book *Suicide in Modern Literature*, edited by Josefa Ros Velasco. Considering the positive reception of this book, Ros Velasco launches the second part, entitled *The Contemporary Writer and their Suicide*. This time, leading representatives of various disciplines analyze the literary, philosophical, and biographical works of contemporary writers worldwide who attempted to commit suicide or achieved their goal, looking for covert and overt clues about their intentions in their writings. This book aims to continue shedding light on the social and structural causes that lead to suicide and on the suicidal mind, but also to show that people assiduous to writing usually reflect their intentions to commit suicide in their writings, to explain how these

frequently veiled intentions can be revealed and interpreted, and to highlight the potential of artistic, philosophical, and autobiographical writing as a tool to detect suicidal ideation and prevent its consummation in vulnerable people. This book analyzes several case studies and their allusions to their contexts and the socio-structural and environmental violence and pressures they suffered, expressions of their will and agency, feelings of dislocation between the individual, reality, and existential alienation, and literary styles, writing techniques, and metaphorical language.

Persona Naoki Inose, 2013-01-01 Traces the life of the Japanese author who went from sickly youth to dedicated student of the martial arts, looking at his family life, the wartime years, and his career as a writer who advocated for traditional values.

Making Thought Visible Curt Hersey, Julie D. O'Reilly, 2025-07-18 For viewers who experience autism, bipolar disorder, depression, obsessive-compulsive disorder or other cognitive variations, television storytelling offers opportunities to empathize with characters portraying neurodiversity. In this first collection of its kind, contributors analyze television's increasing attempts to make thought--how individuals process the world around them--visible. Examined themes include the muting of neurodiverse voices, madness as power, diagnosis vs. lived experience, dual diagnosis, reactions to atypical behaviors, the cultivation of attitudes towards autistic individuals, and translanguaging across global series. Programs include *Young Sheldon*, *The Good Doctor*, *Legion*, the *Star Trek* universe, *Euphoria*, *True Detective*, *Girls*, *Bungo Stray Dogs*, and *Love on the Spectrum*. Varied theoretical and methodological approaches and attention to the quality and verisimilitude of neurodiverse representations result in an appropriately complex analysis.

English Studies Beyond the 'Center' Myles Chilton, 2015-11-06 This book addresses the shape of English studies beyond the 'center' by analyzing how the discipline has developed, and by considering how lessons from this analysis relate to the discipline as a whole. The book aims to open a cross-disciplinary conversation about the nature of the English major in both non-Anglophone and Anglophone countries by addressing the tensions between language and literature pedagogy, the relevance of a focus on hyper-canonical Anglophone literature in a world of global Englishes, world literature, and multilingual students, and by reflecting on the necessary contingency and cross-purposes of blended literature and language classrooms. Many of the book's points of discussion arise from the author's experience as an English professor in Japan, where the particularities of English language and literature pedagogy raise significant challenges to Anglo-centric critical and pedagogical assumptions. *English Studies Beyond the 'Center': Teaching Literature and the Future of Global English* therefore argues that English literature must make a case for itself by understanding its place in a newly configured discipline. Issues discussed in the book include: English language and literature pedagogy in Japan The modes through which EFL and English literary studies converge and diverge Globalized English beyond the Anglo-American perspective English classroom practices, particularly in Japan
