The Complete Lyrics of Johnny Mercer Johnny Mercer, Robert Kimball, Barry Day, Miles Kreuger, Eric Davis, 2009-10-20 The seventh volume in Knopf's critically acclaimed Complete Lyrics series, published in Johnny Mercer's centennial year, contains the texts to more than 1,200 of his lyrics, several hundred of them published here for the first time. Johnny Mercer's early songs became staples of the big band era and were regularly featured in the musicals of early Hollywood. With his collaborators, who included Richard A. Whiting, Harry Warren, Hoagy Carmichael, Jerome Kern, and Harold Arlen, he wrote the lyrics to some of the most famous standards, among them, "Too Marvelous for Words," "Jeepers Creepers," "Skylark," "I'm Old-Fashioned," and "That Old Black Magic." During a career of more than four decades, Mercer was nominated for the Academy Award for Best Song an astonishing eighteen times, and won four: for his lyrics to "On the Atchison, Topeka, and the Santa Fe" (music by Warren), "In the Cool, Cool, Cool of the Evening" (music by Carmichael), and "Moon River" and "Days of Wine and Roses" (music for both by Henry Mancini). You've probably fallen in love with more than a few of Mercer's songs—his words have never gone out of fashion—and with this superb collection, it's easy to see that his lyrics elevated popular song into art.

Hero Road Gary Smith,2014-04 Hero Road tells the thrilling and uplifting journey of a military man who made a difference. Sean McNeal, a former army sniper, arrives at Ft. Stewart, Georgia, to take charge of a group of misfit ammunition handlers known as the Beefers. Over time, he gains the trust and loyalty of these young soldiers and they gain his. The group evolves into a tight-knit tactical unit, going from one covert operation to the next, including deployments to Iraq. With the help of his men, McNeal employs his old sniper skills to bring a dangerous drug lord down, thereby putting an end to the haunting nightmares of his past. Says the author, One of the characters in the book, my son-in-law, actually belongs to a band of army buddies who have been together since basic training and several deployments. Each man comes from a different cultural and economic background. One day, Oliver related several humorous escapades of the Beefers as ammo handlers. They each possess their own brand of humor, but when it comes to getting the job done, they are all business. Those stories gave me the inspiration to begin the Hero Road project, giving them a new leader with a troubled past. Gary Smith retired from the U.S. Army in 1992 and immediately began studying for an undergraduate degree in

elementary education at Armstrong State University in Savannah, Georgia. Graduating in 1996, he then completed a graduate degree and began teaching elementary school in Savannah. He has also taught in Vidalia, Reidsville, and Glennville, Georgia. He retired from teaching in 2011 and published his autobiography Patriot Son: Memoirs of a Veteran the same year. Not in the Plan Zara Rosseau, 2025-08-04 He was never supposed to be part of her future. She was never supposed to slip into his guarded world. But life has a way of ruining perfectly good plans. Laura has always played by the rules. The perfect daughter. The top student. The small-town girl with big dreams. Fresh out of college, she's ready to prove herself in Rio de Janeiro's competitive PR scene. Working at Goulart Communications is her chance to finally build the life she's always envisioned — no distractions, no complications. Henry doesn't do complications. After losing his ex-wife, he locked his heart behind work, raising his son Thomas, and enjoying no-strings-attached nights. Love isn't in his vocabulary. And relationships? Not in the plan. But when Laura walks into his company — and unexpectedly into his life — boundaries begin to blur. A kiss that shouldn't have happened sets off a chain reaction neither of them can control. She wants commitment. He wants distance. And yet, the pull between them keeps getting stronger. What happens when the man who swore off love and the woman who only dates for keeps find themselves caught in something that wasn't supposed to exist?

We Carry Kevan Kevan Chandler, 2019-04-23 A story about friendships and commitment to one another so incredible you wouldn't believe it if it wasn't true. Kevan is just one of the guys. It's impossible to know him and not become a little more excited about life. He is an inspiring man permeated by joy, unafraid of sorrow, full of vitality and life! His sense of humor is infectious and so is his story. He grew up, he says, at belt-buckle level and stayed there until Kevan's beloved posse decided to leave his wheelchair at the Atlanta airport, board a plane for France, and have his friends carry him around Europe to accomplish their dream to see the world together! Kevan's beloved posse traveled to Paris, England, and Ireland where, in the climax of their adventure, they scale 600 feet up to the 1,400-year-old monastic fortress of Skellig Michael. In We Carry Kevan the reader sits with Kevan, one head-level above everyone else for the first time in his life and enjoys camaraderie unlike anything most people ever experience. Along the way they encounter the curiosity and beauty of strangers, the human family disarmed by grace, and the constant love of God so rich and beautiful in the company of good friends. We Carry Kevan displays the profound power of friendship and self-sacrifice.

The Birth and Impact of Britpop Paul Laird, 2022-09-15 Remember the ninteties? Of course you do. Cool Britannia, New Labour, Blur vs Oasis, Geri Halliwell's Union Flag dress, TFI Friday, "wasssssuuuuuuppppppp", Opal Fruits turning into Starburst without anyone asking your permission...crazy times. This book doesn't have anything to say about Geri's dress or Opal Fruits but it has lots to say about Britpop. But this isn't a book about the Britpop you think you know about, this is the story of a truly remarkable period of creativity in British guitar music told through the experiences of someone who was

there from the first note of “Popscene” through to the run out groove of “This is Hardcore”. This is the story of the Britpop that didn’t make it onto the evening news or the cover of The Face. This is the story of the bands nobody remembers but that everybody should. This is the story of what it was like to be an outsider in 1991 and be too cool for school by 1994. This is the story of a magnesium flash in British popular music that has, for good or ill, defined British guitar music ever since. Here are Flamingoes and Pimlico, Strangelove and David Devant and His Spirit Wife, The Weekenders and Thurman...and Blur, Pulp, Oasis, Sleeper and Elastica too. These are Britpop memories from someone who was actually there. The definitive story of Britpop...

Battle for Life Scott I. Zucker, 2023-01-15 In *Battle for Life*, Sam Silver is a sixty-year-old lawyer balancing work and his family after having moved back to his hometown to care for his ailing parents. Now, his ninety-year-old father Max has asked Sam to accompany him to Washington, D.C. for a reunion of his crewmates from the Navy ship he sailed with during World War II. Managing the stress of life, Sam embarks on a final road trip with his father, exploring along the way not only his father’s lessons about handling adversity and heartache but exposing some long-kept secrets about his experience in the war. Together, Max and Sam share a journey of understanding about loss and love and the challenges that each of us face as we go through life. Together, they recognize the ultimate lesson - that life can be a battle, but worth the fight.

A Fine Romance David Lehman, 2009-10-06 In *A Fine Romance*, David Lehman looks at the formation of the American songbook—the timeless numbers that became jazz standards, iconic love songs, and sound tracks to famous movies—and explores the extraordinary fact that this songbook was written almost exclusively by Jews. An acclaimed poet, editor, and cultural critic, David Lehman hears America singing—with a Yiddish accent. He guides us through America in the golden age of song, when “Embraceable You,” “White Christmas,” “Easter Parade,” “Bewitched, Bothered and Bewildered,” “Can’t Help Lovin’ Dat Man,” “My Romance,” “Cheek to Cheek,” “Stormy Weather,” and countless others became nothing less than the American sound track. The stories behind these songs, the shows from which many of them came, and the shows from which many of them came, and the composers and lyricists who wrote them give voice to a specifically American saga of love,

longing, assimilation, and transformation. Lehman's analytical skills, wit, and exuberance infuse this book with an energy and a tone like no other: at once sharply observant, personally searching, and attuned to the songs that all of us love. He helps us understand how natural it should be that Wizard of Oz composer Harold Arlen was the son of a cantor who incorporated "Over the Rainbow" into his Sabbath liturgy, and why Cole Porter—the rare non-Jew in this pantheon of musicians who wrote these classic songs shaped America even as America was shaping them. (Part of the Jewish Encounter series)

Culture, Bodies and the Sociology of Health Elizabeth Ettorre, 2016-05-13 Culture, Bodies and the Sociology of Health explores the boundaries between bodies and society with special reference to uncovering the cultural components of health and the ways in which bodies are categorized according to a form of culturally embedded 'health orthodoxy'. Illustrating the importance of contextualizing the body as a cultural entity, this book demonstrates that the spaces and boundaries between healthy bodies are becoming more diverse than ever before. The volumes international team of scholars engage with a range of issues surrounding the cultural construction of the body as a site of health and illness. As such, it will be of interest not only to sociologists, especially sociologists of health, but also to scholars of media and communication studies as well as cultural theorists.

Somali, Muslim, British Giulia Liberatore, 2020-05-27 Somalis are one of the most chastised Muslim communities in Europe. Depicted in the news as victims of female genital mutilation, perpetrators of gang violence, or more recently, as radical Islamists, Somalis have been cast as a threat to social cohesion, national identity, and security in Britain and beyond. *Somali, Muslim, British* shifts attention away from these public representations to provide a detailed ethnographic study of Somali Muslim women's engagements with religion, political discourses, and public culture in the United Kingdom. The book chronicles the aspirations of different generations of Somali women as they respond to publicly charged questions of what it means to be Muslim, Somali, and British. By challenging and reconfiguring the dominant political frameworks in which they are immersed, these women imagine new ways of being in securitized Britain. Giulia Liberatore provides a nuanced account of Islamic piety, arguing that it needs to be understood as one among many forms of striving that individuals pursue throughout their lives. Bringing new perspectives to debates about Islam and multiculturalism in Europe, this book makes an important contribution to the anthropology of religion, subjectivity, and gender.
