Time, Freedom and the Self Michelle Shir-Wise, 2019-04-10 While abundant research has investigated time use, much less attention has been given to the cultural meanings attached to free time and what these may express with regard to conceptions of freedom and the self. In an attempt to fill this gap, Michelle Shir-Wise examines not only what people do in their free time, but also how they perceive, interpret and experience it, and in what way it relates to notions of happiness, freedom and the ideal self. *Time, Freedom and the Self* draws on contemporary theoretical debates concerning the relation between discourse, cultural repertoires, subjective meaning and agency, as well as literature around the sociology of leisure, to inform a unique interpretation of free time ("disciplined freedom"), developed in the light of questionnaires and in-depth interviews with middle-class, middle-aged participants in suburban Israel.

**Domestic Affairs** Bridget Siegel, 2012-07-31 When twenty-something political fundraiser Olivia Greenley is recruited by her close friend Jacob Harriston to join the Presidential campaign of Georgia Governor Landon Taylor, she is intoxicated by optimism and opportunity. Taylor's commitment to social equality and economic responsibility in the post-housing-bubble era is palpable. Sacrificing her sleep, comfort and income are certain to help make the world a better place. Right? *Domestic Affairs: A Campaign Novel* vividly captures the fervor and idealism of campaign life—as well as the disillusionment staffers feel when told to make the inevitable compromises. Leaving a meeting with foreclosure victims to hop onto a private jet is one thing, but how to justify dining at a 2,000-a-plate dinner knowing how many lunches the money could buy for at-risk kids? How far does one go when the ends appear to justify the means? And what's a girl to do when the most charming, erudite, capable and ostensibly honorable man in the free world wants to take her to bed (but he's married and her boss)? How does it feel to keep the biggest secret of her life from her best friend and coworker, even as the three of them spend every waking hour together? The tension between characters, right and wrong, and between success and implosion are taut.

*Forced Mobility of EU Citizens* José A. Brandariz,Witold Klaus,Agnieszka Martynowicz,2023-06-29 *Forced Mobility of EU Citizens* is a critical evaluation from an empirical perspective of existing practices of the use of transnational criminal justice instruments within the European Union. Such instruments include the European Arrest Warrant (EAW), prisoner transfer procedures and criminal law-related deportations. The voices and experiences of people transferred across internal borders of the European Union are brought to the fore in this book. Another area explored is the scope and value of EU citizenship rights in light of cooperation not just between judicial authorities of EU Member States, but criminal justice systems in general, including penitentiary institutions. The novelty of the book lays not only in the fact that it brings to the fore a topic that so far has been under-researched, but it also brings together academics and studies from different parts of Europe - from the west (i.e. the expelling countries) and the east (the receiving countries, with a special focus on two of the jurisdictions most affected by these processes - Poland and Romania). It therefore exposes processes that have so far been hidden, shows the links between sending and receiving countries, and elaborates on the harms caused by those instruments and the very idea of 'justice' behind them. This book also introduces a new element to deportation studies as it links to them the institution of the European Arrest Warrant and EU law transfers targeting prisoners and sentenced individuals. With a combination of legal, criminological, and sociological perspectives, this book will be of great interest to scholars and students with an interest in EU law, criminal law, transnational criminal justice, migration/immigration, and citizenship. The Open Access version of this book, available at [www.taylorfrancis.com](http://www.taylorfrancis.com), has been made available under a Creative Commons Attribution 4.0 International license and funded by Polish Academy of Sciences, Institute of Law Studies.

**Dead, White, and Blue** Annie McEwen, 2024-07-02 It's the 4th of July in the Wisconsin Northwoods, and no one is more excited than Emmy Cooper. She's happy to be back in her hometown, settling once again into small-town living and helping her family run Cooper's Cove, their lake cottage resort. Emmy and her teen crush, police officer Dean Erickson, are enjoying getting reacquainted, while she and bestie Whitney are closer than ever. Lake Covington and its quaint namesake town are bustling with visitors celebrating during the annual three-day Independence Day Freedom Fest. Everything is Yankee Doodle Dandy until a local man with a reputation for trouble starts fireworks of his own. And the explosions just keep on coming when Emmy stumbles over a dead body at the celebrations! The dead man is Jordan James, and as Emmy soon finds out, there are no shortage of people who might want him dead. From a jealous jerk to a conniving cousin and even a former friend from his past, suspects are more plentiful than ants at a July picnic! Despite promises to stay out of the investigation, Emmy finds herself smack in the middle of it. Can she and Whitney figure out the truth and find liberty and justice for all? I look forward to reading the next Northwoods mystery as soon as possible. A thoroughly enjoyable cozy. ~ Kings River Life Magazine This was a fun book, and I can't wait for the next book in this delightfully entertaining new series that is a welcome addition to the cozy genre. ~ Dru's Book Musings
