Classical Studies for Tenor Banjo Rob MacKillop,2023-08-18 Seasoned music educator and multi-instrumentalist, Rob

MacKillop presents this introductory classical repertoire for the intermediate tenor banjoist. Derived from method books for the mandolin, cello and guitar, these progressive melodic studies are typeset in standard notation and tablature. Readers are encouraged to start at the beginning and listen to the author's online recordings for guidance. Various keys, rhythms and time signatures are represented for a thorough grounding in note reading. Most importantly, these studies have been chosen to develop musicianship, not just technique. Creating your own left-hand fingering and original interpretive ideas will build the confidence needed to become an authoritative classical performer. If you have played the tenor banjo by ear or relied on tablature exclusively in the past, this is the book and now is the time to access the world of standard notation—for whatever style of music that interests you. The author provides liberal playing tips and suggestions for further sight reading. As the perfect fifth tunings of the tenor banjo and mandola are the same (CGDA), this music can also be played on the mandola. Includes access to online audio.

The Multi-Instrumental Guitarist Greg Horne, Stacy Phillips, 2002-10 Greg Horne, the best-selling author of the Complete Acoustic Guitar Method, and Stacy Phillips, one of the world's foremost DOBRO(R) performers and educators, have teamed up to create the ultimate resource for acoustic guitarists ready to step up to a new level of musicianship. Become an in-demand acoustic musician by learning to play mandolin, ukulele, lap dulcimer, Dobro, and several kinds of banjo. This book covers the tunings, techniques and styles you need to know to become a true multi-instrumentalist. Written in an easy-to-understand and friendly style, The Multi-Instrumental Guitarist is your guide to a new world of music making.

Bach's Cello Suites I-III Arranged for Tenor Banjo Rob MacKillop, 2013-12-04 Bach's cello suites are among the most famous solo instrumental works of all time. The cello and the tenor banjo share the same tuning, and banjo players might be surprised at how well this great music fits on the fretboard. Rob MacKillop has provided tablature for the first three suites. Here is a chance for tenor banjo players to explore Bach on their instrument, which could be tuned to either regular, CGDA, or Irish tuning, GDAE. Accompanying audio is included, using three different tenor banjos: a regular tenor (Deering Eagle II), a gourd tenor (Jaybird Banjos), and a cello banjo (Gold Tone) which has the same low pitch as the cello. A 'suite' is a collection of dances of varying speeds and time signatures, conceived to be performed as a whole, and preceded by a prelude. Bach's Prelude to the 1st Suite is magnificent and justly famous. The Bourree from the 3rd Suite is also very popular. Enjoy playing Bach on the Tenor Banjo! Includes access to online audio.

Focus: Irish Traditional Music interweaves dance, film, language,

history, and other interdisciplinary features of Ireland and its diaspora. The accompanying CD presents both traditional and contemporary sounds of Irish music at home and abroad.

Afro-Irish Links: A Shared Cultural History SWIPE, 2019-10-31 This project examines the shared cultural heritage of African and Irish people commencing with the era of slavery and indentured servitude, when these two cultures worked alongside each other in the plantations. The triumph of the human spirit ensured that music forms emerged from these harsh experiences; traditions were retained and modified to produce music that spoke of pain, exile and reconstitution - a universal language that moves people of all cultures. This book examines a number of studies on these topics and features interviews with notable academics. Topics covered include how the Irish came to be in the Caribbean and why Montserrat is known as the Other Emerald Isle; how the Jamaican Maroons retained African traditions; and how the banjo became an integral part of folk music in the Caribbean, Ireland and the remote Appalachian Mountains. Supported by Heritage Lottery Fund.
