Hello, My Love 2 Chase Brooks, 2009-05-29 Spring break. Love. Tequila. Sunshine. Boys. Girls. Sand. Fearless. Freedom. Carrie Dawson is back for seconds in this feisty sequel that takes her to Panama City Beach. With her impending high school graduation rapidly approaching, Carrie and Jess come to the realization that they could possibly be separated for good, depending on Carrie's college admission. So in order to have one last adventure, they jet off to the beach for spring break. Carrie's relationship with Ben has been growing, bringing her, yet again, to the brink of confusion. Shall she refrain from stepping into a relationship that will end soon with their educational emancipation, dipping her toes in the water? Or shall she dive into one? Carrie is on a self-discovering journey to come to terms with her life, her relationships, and her future while answering questions that need to be questioned. While on the other hand, Jess is on a quest to lose her virginity over the trip. Everything in Carrie's life is about to change and she is desperate to savor every moment of it.

AMORALMAN Derek DelGaudio, 2022-02-01 Truth and lies are two sides of the same coin. But who's flipping it? A thought-provoking and brilliantly entertaining work of nonfiction from one of the world's leading deceivers, the creator and star of the astonishing theater show and forthcoming film *In & Of Itself*. Derek DelGaudio believed he was a decent, honest man. But when irrefutable evidence to the contrary is found in an old journal, his memories are reawakened and Derek is forced to confront--and try to understand--his role in a significant act of deception from his past. Using his youthful notebook entries as a road map, Derek embarks on a soulful, often funny, sometimes dark journey, retracing the path that led him to a world populated by charlatans, card cheats, and con artists. As stories are peeled away and artifices are revealed, Derek examines the mystery behind his father's vanishing act, the secret he inherited from his mother, the obsession he developed with sleight-of-hand that shaped his future, and the affinity he felt for the professional swindlers who taught him how to deceive others. And once he finds himself working as a crooked dealer in a big-money Hollywood card game, Derek begins to question his own sense of morality, and discovers that even a master of deception can find himself trapped inside an illusion. *A M O R A L M A N* is a wildly engaging exploration of the fictions we live as truths. It is ultimately a book about the lies we tell ourselves and the realities we manufacture in others.

Picture Me Naked Lisa A. Olech, 2014-01-31 Z. Z. LAMBERT wasn't born uptight, but someone needed to be the adult. Zee's a color-inside-the-lines artist with a hippy mother, a mostly dead grandmother, and a cat named Isabella Rossellini. Add

to her life's palette a stunning new life model, Jagger Jones. Is it just her, or does all the air leave the room when he shows up? Good thing he's just passing through. This is no time to fall in love, especially not with her model, no matter how perfectly knee-melty he may be. Australian JAGGER JONES is a rolling stone. Living with nothing to tie you down takes talent. Posing without your britches is a piece of cake. He's three years into his walkabout with only his dead father's ashes for company. But Z.Z. Lambert stops him faster than a croc in the mud. Her paintings of him are incredible. She sees past all of his posturing, past the flesh and bone and uncovers his heart. Zee understands the promise he made his father, and comes to love him enough to let him go. But does she love him enough to let him stay? His only other choice is a future without her. And he can't picture that at all.

Narc! Mark Elley, 2011-06-21 SYNOPSIS: John Doyle, a university student from the small Southern Ontario town of Kindler, one day received a letter from the government asking him to attend an exclusive meeting that would change his life forever. It leads him and his best friend, Frank to become involved in the local drug scene as they are asked to work undercover by the Royal Canadian Mounted Police. This takes John into a world before unknown to him, the world of drugs, violence and murder. The late 1960s, the time when this story takes place, are years in which turn on and tune out is the motto. John and his friends are trying to counteract this culture by developing a teen group that plans, finances and builds its own drop-in centre. The ideals of a Christian raised young man clash with the ideals of a fringe element in the town. During his investigations John helps the Mounties discover and take down the largest drug ring in Ontario. This comes with a cost. In this book the small town mentality is examined as well as the impact of the drug culture which transforms the community. John finally has to reveal his undercover work to the love of his life, Susan, and involve his own father to help capture the drug dealers who feed on the weaknesses of the young people of the town.

The Beauty of Your Face: A Novel Sahar Mustafah, 2020-04-07 One of the New York Times's 100 Notable Books of 2020 Longlisted for the Center for Fiction First Novel Prize, *The Beauty of Your Face* is “a story of outsiders coming together in surprising and uplifting ways” (New York Times Book Review, Editors’ Choice). *The Beauty of Your Face* tells a uniquely American story in powerful, evocative prose. Afaf Rahman, the daughter of Palestinian immigrants, is the principal of a Muslim school in the Chicago suburbs. One morning, a shooter—radicalized by the online alt-right—attacks the school. As Afaf listens to his terrifying progress, we are swept back through her memories, and into a profound and “moving” (Bustle) exploration of one woman’s life in a nation at odds with its ideals.

Your Mother Would Be Proud Jenny Valentish, Tamara Sheward, 2011-03-04 Whether it's cartwheeling naked across a rugby field in front of an audience of one billion (including your dad); playing eleven-minute soft rock tracks on night-shift radio as cover for some adult magazine fumbblings; getting your appendix removed to avoid an English lesson; or stealing KISS's groupies and charging the champagne to Gene Simmons'...

Not The F---ing Gilmore Girls Courtney Cannon, 2025-01-10 An inspiring autobiography that chronicles the life and evolution of its author, who uses the metaphor of a rainbow phoenix to symbolize resilience, rebirth, and diversity, this narrative takes readers through the author's early (and later) struggles, challenges faced in overcoming adversity, and the pivotal moments that ignited a profound transformation. The journey is marked by a vibrant tapestry of experiences that highlight the importance of embracing one's true identity and the power of courage and hope. Through engaging storytelling, the author shares personal stories while also delivering universal messages about self-discovery, empowerment, and the beauty of diversity. It's a motivating read that encourages readers to rise from their own ashes with renewed strength and color. Coco is an empath who literally carries the weight of the world on her shoulders; read about how she handled world events like 9/11, COVID, and her beloved Rangers finally winning the World Series! Her dream in life is to love and help people. Can she help you by loving you until you learn to love yourself? Come read about how she makes one dream come true, only to have it fall spectacularly apart.

Everything You Ever Wanted Jillian Lauren, 2015-05-05 A Best Memoir of 2015, "This memoir is compulsively readable and full of humor and heart."—AdoptiveFamilies.com "A punk rock Scheherazade" (Margaret Cho) shares the zigzagging path that took her from harem member to PTA member... In her younger years, Jillian Lauren was a college dropout, a drug addict, and an international concubine in the Prince of Brunei's harem, an experience she immortalized in her bestselling memoir, *SOME GIRLS*. In her thirties, Jillian's most radical act was learning the steadying power of love when she and her rock star husband adopt an Ethiopian child with special needs. After Jillian loses a close friend to drugs, she herself is saved by her fierce, bold love for her son as she fights to make him—and herself—feel safe and at home in the world. Exploring complex ideas of identity and reinvention, *Everything You Ever Wanted* is a must-read for everyone, especially every mother, who has ever hoped for a second act in life.

Jacky Ha-Ha: My Life Is a Joke James Patterson, Chris Grabenstein, 2017-10-30 In the #1 New York Times bestselling book, class clown Jacky Hart discovers she's a triple threat onstage—but will she have a chance to shine? Jacky Hart has found a hidden talent in the performing arts, and she's a triple threat onstage! She wants nothing more than to act and sing all summer -- but her parents have other plans for her. Jacky reluctantly signs up for a summer job in her resort town of Seaside Heights, New Jersey, where tourists come to enjoy the beach and fun carnival atmosphere. Now she has serious responsibilities like her job and babysitting her younger sisters, but Jacky longs to perform in the summer stock performance of *A Midsummer Night's Dream*. Can she handle all of her important commitments and still have fun with her friends -- or will she learn that juggling isn't one of her many talents? James Patterson's middle grade jokester Jacky returns in this wild romp through summer in the Jersey Shore, featuring lively illustrations by French artist duo Kerascoët. Don't miss Jacky's hilarious new adventure, *Jacky Ha-Ha Gets the Last Laugh!*

MacDonald Coyote Ted Thompson, 2008-07 At age 49, San Francisco businessman MacDonald Mac Coyote nearly loses his life when he lands in the hospital with severe high blood sugar. The doctors diagnose him with diabetes and only through the miracle of modern medicine does he survive. But when he realizes he's been given a second chance, Mac discovers that he has the will to do the impossible—what the Greeks call *Pleonexia*—and he's going to leave his high-end lifestyle for something better. Over his wife's objections, they and their dog move out of the city and homestead thirty acres in California's High Sierra wilderness. The next few months bring encounters with bureaucracy, inept and hostile workers, blizzards, and forest fires as Mac's flatlander dream turns into a nightmare. He publishes a book of poems to great reviews and negligible sales, but he also grows cynical and grouchy. Maybe the impossible really is impossible. Mac wants to give up and move back to the city, but his wife loves their little cabin in the forest and refuses to leave. It's during a one-hundred year flood that Mac manages to pull off a miracle in the finest tradition of magic realism and discovers what it's truly like to be alive.

Astrophysics Judith Ann Irwin, 2023-08-01 **ASTROPHYSICS** This is a balanced textbook presenting the theory and observations of stars and their evolution—a cornerstone of Astrophysics. *Astrophysics: Decoding the Stars* is a companion volume to *Astrophysics: Decoding the Cosmos* from astrophysics teacher and researcher, Professor Judith Irwin. The text presents an accessible, student-friendly guide to the key theories and principles of stars, emphasizing the close connection between observation and theory. To aid in reader comprehension, the text includes online resources and problems at the end of each chapter. Many highlighted boxes summarize key concepts or point to example stars that can be seen with the naked eye. The text focuses on physical concepts, but it also refers to the results of numerical models using online resources. Sample topics covered in *Astrophysics: Decoding the Stars* include: The Sun, gaseous and radiative processes Stellar interiors, energy transport mechanisms, stellar cores and nuclear energy generation, the global energy budget, timescales, and stability Observational constraints, variable stars, and star formation from molecular clouds to the ZAMS Evolutionary tracks on the HR diagram for stars of different masses, and how stars end their lives Stellar remnants — white dwarfs, neutron stars and pulsars, and black holes *Astrophysics: Decoding the Stars* is a highly useful textbook resource for second- to fourth-year undergraduate students pursuing an Astrophysics program, along with Physics undergraduates who have opted to take stellar structure and evolution as part of their program. It will also be useful for new graduate students who want a solid grounding in stellar astrophysics.

Picture Perfect Avana Bree Garza, 2015-04-17 Although twenty-two-year-old Avana Bree Garza has indulged in writing poetry and devouring books for many years, this is her first novel to be published. When she isn't writing or reading, her pastimes include drawing characters from her stories, singing One Direction at the top of her lungs, and fangirling over multiple fandoms. She enjoys spending time with her friends and family who reside in and around Lockhart, Texas. Avana

currently lives in Austin as she is working toward a degree in bilingual education at the University of Texas.

River of Fire Helen Prejean, 2020-08-25 “*River of Fire* is Sister Helen’s story leading up to her acclaimed book *Dead Man Walking*—it is thought-provoking, informative, and inspiring. Read it and it will set your heart ablaze!”—Mark Shriver, author of *Pilgrimage: My Search for the Real Pope Francis* The nation’s foremost leader in efforts to abolish the death penalty shares the story of her growth as a spiritual leader, speaks out about the challenges of the Catholic Church, and shows that joy and religion are not mutually exclusive. Sister Helen Prejean’s work as an activist nun, campaigning to educate Americans about the inhumanity of the death penalty, is known to millions worldwide. Less widely known is the evolution of her spiritual journey from praying for God to solve the world’s problems to engaging full-tilt in working to transform societal injustices. Sister Helen grew up in a well-off Baton Rouge family that still employed black servants. She joined the Sisters of St. Joseph at the age of eighteen and was in her forties when she had an awakening that her life’s work was to immerse herself in the struggle of poor people forced to live on the margins of society. Sister Helen writes about the relationships with friends, fellow nuns, and mentors who have shaped her over the years. In this honest and fiercely open account, she writes about her close friendship with a priest, intent on marrying her, that challenged her vocation in the “new territory of the heart.” The final page of *River of Fire* ends with the opening page of *Dead Man Walking*, when she was first invited to correspond with a man on Louisiana’s death row. *River of Fire* is a book for anyone interested in journeys of faith and spirituality, doubt and belief, and “catching on fire” to purpose and passion. It is a book, written in accessible, luminous prose, about how to live a spiritual life that is wide awake to the sufferings and creative opportunities of our world. “Prejean chronicles the compelling, sometimes-difficult journey to the heart of her soul and faith with wit, honesty, and intelligence. A refreshingly intimate memoir of a life in faith.”—Kirkus Reviews

Relative Strangers A.H. Kim, 2024-04-02 From the acclaimed author of *A Good Family* comes a timely spin on *Sense and Sensibility*, a twenty-first-century family drama featuring two half-Korean sisters, their ex-hippie mother, multiple messy love affairs and one explosive secret that could ruin everything. Amelia Bae-Wood’s life is falling apart. Unemployed, newly single and completely broke—for reasons she hasn’t told anyone yet—she finds herself hitchhiking across California to deal with the fallout of her mother’s eviction from the family estate. Amelia needs somewhere to live and time to figure out what to do with the rest of her life, so moving with her mother and sister to Arcadia, the cancer retreat center where her sister volunteers, seems like as good an idea as any. Amelia’s sister, Eleanor, has too much on her plate, including being caught up in a court battle with a man who claims to be their half brother from Seoul and their late father’s only son—a secret love child from his Korean youth—who’s fighting for a piece of everything that belongs to the Bae-Wood women. And when Amelia adds herself to Eleanor’s list of problems, Eleanor must figure out what to hold on to—and when to let go—before things start to unravel. A witty, wry and enormously entertaining retelling, the sisters’ journey of self-discovery as they reshape their lives gives this

classic tale a modern, feminist twist, as it touches on themes of blended families, race, class and wealth.

The Hill of the Ravens H. A. Covington, 2003-07-15 It is morning in America, many years in the future. As the 22nd century approaches, the United States and Canada have been shattered by war and upheaval and have broken up into separate ethnic, racial, and political enclaves. On the east coast a crumbling, bankrupt and tottering United States government still holds a weak and impotent sway over a ragged collection of tattered states and cities, but life is chaotic and plagued with poverty, violence, and desperation. The entire Southwest, beginning with Texas and extending westward to southern California and north as far as Utah, has become the Spanish-speaking Mexican state of Aztlan. And in the Pacific Northwest, from northern California on up to Alaska, a brutal fascist and white supremacist dictatorship rules the Northwest American Republic. Colonel Donald Redmond of the Bureau of State Security (BOSS) is one of the Northwest Republic's most ruthless and skillful political policemen. Then on a bright October morning he is called into the office of the State President, where he is given a top-secret assignment. A skeleton from the bloody and treacherous days of the revolution against America is about to emerge from the closet, and one of the most carefully guarded and suppressed mysteries of that revolution may become public knowledge. That long hidden truth may undermine the very moral and political foundations of the white supremacist state. A woman's life hangs in the balance, but possibly even the fate of a continent as well, as Donald Redmond and his partner Sergeant Nel plunge into the past and seek for the answer: who betrayed the Olympic Flying Column, and why? In The Hill of the Ravens, underground cult novelist H. A. Covington offers us a grim and chilling view of a future that may yet come to be.

But How Are You, Really Ella Dawson, 2024-06-04 A burned-out bisexual confronts old demons, her estranged chosen family, and the ex she maybe shouldn't have walked away from when she attends her five-year college reunion. Charlotte Thorne does not want to go back to Hein University. Her life postcollege isn't what she expected—her career in media is stalled, her passion for drawing has fallen by the wayside, and she's done a terrible job keeping in touch with her queer chosen family since graduation day. Willingly spend a full weekend with her incredibly successful classmates? Hard pass. But when her demanding boss, tech journalist Roger Ludermore, is invited to give the commencement address at this year's graduation—which falls on the same weekend as her five-year reunion—Charlotte has no choice but to return to campus. The minute she steps foot on Hein property, the past comes crawling back in its glory and cringe: disco parties at the LGBTQIA+ program house, sleeping in a twin XL bed, and her chemistry with Reece Krueger, the hockey player she rebounded with after a traumatic breakup. Suddenly the weekend Charlotte has dreaded for months feels like an opportunity to go back in time. Determined to have some fun, Charlotte dodges her best friend's questions about her mental health, ignores her boss's constant Slack messages, and tries to avoid the truth about why she ghosted Reece five years ago. But can she really outrun her past and get her life together in seventy-two hours?

Growing Up in a Land Called Honalee Joel P. Rhodes, 2017-06-01 This study examines how the multiple social, cultural, and political changes between John Kennedy's inauguration in 1961 and the end of American involvement in Vietnam in 1973 manifested themselves in the lives of preadolescent American children. Because the preadolescent years are, according to the child development researchers, the most formative, Joel P. Rhodes focuses on the cohort born between 1956 and 1970 who have never been quantitatively defined as a generation, but whose preadolescent world was nonetheless quite distinct from that of the "baby boomers." Rhodes examines how this group understood the historical forces of the 1960s as children, and how they made meaning of these forces based on their developmental age. He is concerned not only with the immediate imprint of the 1960s on their young lives, but with how their perspective on the era influenced them as adults.

Best Bet Laura Pedersen, 2009-10-26 Since Hallie's father died and left behind ten children, money at the Palmer household is tighter than ever. And just when Hallie thought she was graduating from college, it turns out she's four credits short. A professor needs one more student for a project that will take her around the world, only longtime boyfriend Craig has another proposition for Hallie. Thus begins Hallie's great odyssey, for the first time she ventures outside the safety of Cosgrove County and the sixty-mile radius in which she's functioned for her entire life. But somehow, escaping home doesn't translate into leaving behind all of her problems, and, unfortunately, not all can be solved by putting her superior gambling skills to work. Eventually, it's time to return home to all the good people who are great at driving each other crazy. Hallie must finally face the biggest decision of her life. Humorous and heartfelt, *Best Bet* underscores the importance of friends, family, and a sense of belonging. The characters in this modest, but neighborly, small town prove that an ordinary existence made up of small but genuine moments can satisfy a soul that's hungry for life in all of its glories and disappointments.

Reflections of a Born-Again Pagan Radical E Craig Coffin, 2006-06 *Reflections of a Born-Again Pagan Radical* evokes the powerful revolutionary spirit of the '60's. -Kedron Bryson, Baytree Press Jenny and Noces meet as students at the University of Southern California. They fall in love during a psychedelic pilgrimage to Mexico. Inspired by the profound socio-political upheaval of the 1960's, they shed their conservative backgrounds and plunge into the growing transnational counterculture, joining forces in rejecting the American system and building one of their own. Roving throughout North America, Western Europe, Mexico, Morocco, Jamaica and Nicaragua, the gutsy pair create an enterprise trading in psychedelics and enlightening herbs, while establishing their own radical political network. Opening themselves to totally new dimensions of mystical awareness, Jenny and Noces celebrate the magic, ecstasy and wonder of life. Exercising the social responsibility that accompanies enlightenment, they find themselves on the frontlines, battling riot police during the 1968 Democrat Convention in Chicago and the May Day 1971 take-over of the Washington Monument, and supporting the national student strike protesting Nixon's Cambodia invasion; in Mexico City, they're attacked by paramilitaries in a squatter settlement; finally, in

Nicaragua, they end up joining armed revolutionaries in an assault on a military command center. While presenting a fascinating era in vivid detail, *Reflections of a Born-Again Pagan Radical* delivers urgent, timeless truths.
