**The New Monogamy** Tammy Nelson,2013-01-02 Imago therapist and author of Getting the Sex You Want, Tammy Nelson, presents The New Monogamy, a revolutionary approach to healing a relationship after infidelity. In The New Monogamy, couples rekindle their trust in each other, engage in Imago dialogues to clarify what both partners really want in a relationship, and make a full erotic recovery by redefining the monogamy contract for the future after the affair.

**Monogamy** Marianne Brandon Ph.D,2010-08-19 This text provides a groundbreaking look at sexual instincts and offers a clinical psychologist's and sex therapist's insights and solutions to the challenges of monogamous relationships. Monogamous relationships are firmly embedded in the framework of our society, and yet the divorce rate and common failures of intimacy in long-term relationships challenges the efficacy of this paradigm. Oddly, the concept of monogamy has been virtually ignored by mental health professionals, while anthropologists, sociologists, biologists, and zoologists have researched and explored the topic. Monogamy: The Untold Story presents not only the scientific research about the challenges of monogamy, but also the practical solutions to overcome them. In part one, the author explores sexual instincts and monogamy from an anthropological, biological, psychological, and social perspective. Part two offers men and women a step-by-step guide to enhancing passion and strengthening their intimate bond by capitalizing on their natural sexual instincts.

Monogamy Book One. Lover: This is One Love for Life and Beyond Time Victoria Sobolev,2020-02-20 Nothing is as it seems at first sight. Feelings are laid bare. There is no black and white. There is no right. And the wrong feels too good to be trusted. People think that Alex was born with a silver spoon in his mouth, not only rich, but blessed by luck. Men respect him, women dream of him, and Alex alone knows the strength it takes to conceal his tortured soul and devastating secrets. But despite those powerful life lessons, he has always believed in his father's words, 'When you fall in love, you love forever - it's in our family blood. Look for HER and you'll find your happiness beyond thought...' Valeria has never experienced actual romance (an early pregnancy, a hasty marriage, a life filled with work and study) and considers herself a pragmatist. She was taught to live by the rules: if you get married, then you love your husband; if you dream of a new home, then you work hard. But when, against all logic, she finds a beautiful stranger in her bed, her world turns upside down. After all, falling for the forbidden can be too sweet not to try... at least once. They come from the opposite ends of the globe, but the collision of two soulmates is destined. Fate will send them on a lifelong journey from Eastern Europe to Spain, France, the United States, and back. Their story is a mix of a beautiful fairy tale and a painful nightmare. It's not something you've heard before: everything is too vivid, too honest, too emotional and too profound. An attraction at first sight; A passion that breaks all rules; A hypnotic melody - it conquers all. This is one love for life and beyond time, This is MONOGAMY...

**Understanding Non-Monogamies** Meg Barker,Darren Langdridge,2010-02-02 Most social scientific work on intimate relationships has assumed a monogamous structure, or has considered anything other than monogamy only in the context of 'infidelity'. Yet, in recent years there has been a growing interest among researchers and the public in exploring various

patterns of intimacy that involve open non-monogamy. This volume gathers contributions from academics, activists, and practitioners throughout the world to explore non-monogamous relationships. Featuring both empirical and theoretical pieces, contributors examine the history and cultural basis of various forms of non-monogamy, experiences of non-monogamous living, psychological understandings of relationship patterns, language and emotion, the discursive construction of mono-normativity as well as issues of race, class, disability, sexuality and gender. This volume will be of interest to academics and practitioners working in the social sciences and anyone who is seeking greater insight into the intricacies of non-monogamous relationships.

A Plea for Monogamy Wilfrid Lay, 2021-11-05 In *A Plea for Monogamy*, Wilfrid Lay presents a compelling argument for the merits of monogamous relationships in the modern world. The book employs a blend of philosophical inquiry and sociological analysis, illustrating how the traditional institution of marriage has been challenged by contemporary societal norms. Lay navigates through various historical perspectives and cultural contexts to advocate for the emotional, psychological, and societal benefits of monogamous commitments. His articulate prose and methodical reasoning resonate within the rich dialogues of marital philosophy, making the text not only informative but also engaging. Wilfrid Lay, an esteemed scholar in relationship dynamics and a proponent of family studies, draws upon his extensive research and personal observations to inform this work. His academic background and practical experiences offer valuable insights into the complexities of romantic partnerships, highlighting the necessity of fidelity and trust amidst a backdrop of increasing relationship fluidity. Lay's dedication to understanding the human experience in love and partnership fuels the passion evident throughout the book. *A Plea for Monogamy* is a thought-provoking read for anyone grappling with the definitions and expectations of contemporary relationships. Scholars, practitioners, and laypersons alike will find Lay's arguments not only compelling but also crucial for the discourse surrounding commitment in our rapidly changing society. This book is an essential addition to the library of anyone seeking to understand the profound impact monogamy can have on individual lives and societal structures.

**Transformation through Intimacy, Revised Edition** Robert Augustus Masters, Ph.D., 2012-03-06 A comprehensive guide to intimacy through greater self-awareness—for those who want more loving, passionate, and liberating monogamous relationships Intimate relationship has long been viewed and lived as a lesser alternative to spiritual life. More recently, the need to integrate our spiritual and intimate lives, rather than maintaining separate spheres and relationships on autopilot, has become increasingly apparent. Given the high rates of infidelity and divorce, it would seem that the possibilities of freedom through intimacy have not been explored in much depth. Too often we pull away when relationships become difficult, missing out on the rewards of connecting more profoundly. The passage from immature to mature monogamy is not only a journey of ripening intimacy with a partner, but also a journey into and through zones of ourselves that may be very

difficult to accept and integrate with the rest of our being. Transformation through Intimacy explores intimate relationships through a four-stage lens: me-centered, we-centered codependent, we-centered coindependent, and being-centered. Bringing his many years of experience as a psychotherapist and spiritual practitioner to the subject, relationship expert and integral psychoterhapist Robert Augustus Masters shows readers not only how to navigate the thickets of reactivity, conflict, shame, anger, fear, and doubt, but how to understand them in a new light so that a deeper level of relating to oneself and one's partner becomes possible, opening new levels of trust, commitment, and love.

*To Have and to Hold* Peggy Vaughan, 2010-10-19 From the author of *The Monogamy Myth*, an essential guide written specifically for married couples to strengthen their relationship and prevent affairs. Based on Peggy Vaughans 30 years of work with married couples and the issue of affairs, this new handbook challenges the assumption that monogamy can be taken for granted, and provides the tools for building a strong marriage and preventing affairs. Explaining the need to focus on preventing affairs before there is any threat to a marriage, she draws on her survey of 755 people regarding their beliefs to present What Wont Work and What Will Work to prevent affairs. Throughout *To Have and to Hold*, Vaughan details specific strategies and techniques, emphasizing that: Relying on attitudes and beliefs is not sufficient to maintain a monogamous relationship over a lifetime. Focusing on actions and behaviors is far more significant to strengthen a relationship. Responsible honesty is the single most important factor in preventing affairs. Everybody (society as a whole) plays a role in supporting couples efforts to maintain monogamy. Parents have a special responsibility to break the pattern for future generations. Four appendices present Vaughans survey questionnaire along with detailed breakdowns of responses.
