Political-Humanitarian Borderwork on the Southern European Border Roberto Calarco, 2024-02-20 This book focuses on the role mainstream humanitarian organizations have in the functioning of the border management system on the southern European border (i.e. Italy). In particular, the author analyses the mainstream humanitarian organizations and NGOs (i.e. Red Cross, the UNHCR, Medici per I Diritti Umani - MEDU, Terre des Hommes and Oxfam) and their role within and beyond the implementation of the so-called 'hotspot approach' in Sicily. This work suggests that a vision of humanitarian action as just anti-political and complicit with migration control can be questioned. This book suggests that a) mainstream organizations have been able to politicize their positioning and actions vis-à-vis authorities when migration policies have been tightened; b) mainstream organizations' political borderwork has helped to promote incremental change in the status quo rather than a radical one. Finally, this book suggests that the discourses and practices of mainstream and grassroots actors seems to be characterized by similar contradictions.

Il pacchetto sicurezza 2009 - Guida alla legge 15 luglio 2009, n.94, 2009

Emergency in Transit Eleanor Paynter, 2024-11-26 A free ebook version of this title is available through Luminos, University of California Press's Open Access publishing program. Visit www.luminosoa.org to learn more. *Emergency in Transit* responds to the crisis framings that dominate migration debates in the global north. This capacious, interdisciplinary study reformulates Europe's so-called migrant crisis from a sudden disaster to a site of contested witnessing, where competing narratives threaten, uphold, or reimagine migrant rights. Focusing on Italy, a crucial port of arrival, Eleanor Paynter draws together testimonials from ethnographic research--alongside literature, film, and visual art--to interrogate the colonial, racial logics that inform emergency responses to migration. She also examines the media, discourses, policies, and practices that shape lived experiences of migration well beyond international borders. Centering the witnessing of Black Africans in Italy, *Emergency in Transit* reveals how this emergency apparatus operates and posits a vision of mobility that refutes the notions of crisis so often imposed on those who cross the Mediterranean Sea.

La tutela della salute nei luoghi di detenzione. Un'indagine di diritto penale intorno a carcere, REMS e CPR Antonella Massaro, 2017-06-01 Il volume, ponendosi dalla prospettiva del diritto penale, intende offrire degli spunti di riflessione in riferimento all'intricato tema della tutela della salute dei soggetti sottoposti a limitazioni coattive della propria libertà

personale. La premessa è quella di una nozione ampia di “luoghi di detenzione”, all’interno della quale ricondurre non solo il carcere, ma anche le residenze per l’esecuzione delle misure di sicurezza (REMS) e i centri di permanenza per i rimpatri (CPR), destinati al trattenimento degli stranieri irregolari. Ciascuna delle tre sezioni in cui si articola il volume fornisce anzitutto una ricostruzione del dato normativo di riferimento, evidenziando quella fuga dalla legalità che troppo spesso caratterizza l’esecuzione delle pene, delle misure di sicurezza personali e del trattenimento degli stranieri irregolari. Si è cercato poi di affrontare questioni specifiche e particolarmente problematiche come il c.d. carcere duro, il diritto di rifiutare le cure del soggetto in vinculis, la responsabilità del medico psichiatra nel nuovo sistema delle REMS. Un’attenzione particolare è stata infine riservata alla giurisprudenza della Corte europea dei diritti dell’uomo, vista la sempre più significativa influenza della stessa per una ridefinizione degli standard minimi di tutela all’interno dei luoghi di detenzione.

Lives in Transit Elena Fontanari, 2018-10-30 This book explores the border-crossing mobilities of refugees within Europe. Based on ethnographic fieldwork in Germany and Italy, it examines the precarious everyday lives of non-citizens living between and beyond EU internal borders. With attention to the constant re-construction of borders within Europe through negotiation practices, the author shows how the tensions that exist between refugees on the move and the structural constraints that limit their movement produce ‘interstices’ – small spaces of possibility that open up as a result of refugees’ struggling within structural constraints. A comprehensive understanding of the long-term effects of EU borders upon refugees’ lives is then afforded through a particular focus on the post-arrival period. Examining the protracted precariousness and multi-directional hyper-mobility in Europe that emerges from the dynamics of the relation between structural mechanisms and the agency of individuals, *Lives in Transit* reveals how the border regime in Europe impacts mostly upon the temporal rather than the spatial dimensions of refugees’ lives, affecting their subjectivities and sense of self. This ‘dispossession’ of time is advocated as the main problem with the experience of refugees in Europe, causing them to claim a temporal justice, which seeks to gain back control of their own lives and personhood. Calling for migration to be understood as a process of ‘becoming subjects’, this volume will appeal to scholars of sociology, anthropology, and politics with interests in migration and diaspora studies.

Codice penale e leggi complementari 2012 Renato Bricchetti, 2012-06-01T00:00:00+02:00 CODICE PENALE e leggi complementari offre, in modo compiuto, certezze a chi lo consulta. Oltre all'articolato propriamente detto, l'opera sviluppa il suo contenuto attraverso una selezione di giurisprudenza delle Sezioni unite della Corte di cassazione (risoltrici di contrasti), numerosi schemi e tabelle di chiarimento e comprensione della norma ed un'accurata selezione di leggi complementari. La pubblicazione si completa con una significativa serie di indici: dal sistematico, posto all'inizio del volume, al cronologico (delle suddette leggi) e all'analitico-alfabetico, collocati, entrambi, alla fine dello stesso.

La sicurezza urbana Stefano Padovano, 2021-11-12T00:00:00+01:00 Il passaggio da concetto equivoco a fonte di inganno la dice lunga sulle ambiguità che ruotano intorno alla questione della sicurezza urbana. Lungi dal rispondere a quesiti inspiegabili, magari tentando strade impervie nella pratica di una competenza istituzionale non sempre contrassegnata da contorni definiti, questo libro mostra la scarsa conoscenza e talvolta l'inattività da parte della politica rispetto al governo della cosa pubblica e alle grandi trasformazioni planetarie, che spesso si ripercuotono sulle realtà locali con conseguenze negative. A partire da una sorta di politica dell'esperienza, intrisa di analisi, ricerche e valutazioni, l'obiettivo è quello di mettere "nero su bianco" le innumerevoli occasioni mancate nel governo delle politiche statali di sicurezza urbana e della governance locale.

CEDU e ordinamento italiano ANGELA DI STASI, 2020-08-31 A settanta anni dalla sua apertura alla firma, la Convenzione europea dei diritti dell'uomo e delle libertà fondamentali continua a conservare un elevato tasso di "sintonia" con il diritto vivente. Esso è il prodotto non solo di un impegno della Corte di Strasburgo a rendere living la Convenzione ma anche di una naturale vocazione della stessa a ricomprendere, sotto la giurisdizione della Corte europea dei diritti dell'uomo, fattispecie anche non compiutamente codificate. Di fronte ad un numero ancora significativo di sentenze che riguardano il nostro Paese, la seconda edizione dell'opera, frutto di un network di ricerca eterogeneo che ricomprende studiosi di formazione accademica ma anche operatori del diritto quali magistrati ed avvocati, circoscrive il suo intervallo di osservazione al periodo 2016-2020. Esso costituisce un lasso temporale ritenuto idoneo a consentire di definire - attraverso la disamina ragionata della giurisprudenza della Corte di Strasburgo - il grado di conformazione dell'ordinamento italiano ma anche i punti di criticità e le lacune dello stesso nonché di verificare i follow-up, in senso legislativo, giurisdizionale e amministrativo, di tale giurisprudenza.

Le parole dell'immigrazione Daniela Pompei, 2013

ACPI 2018 Abbreviazioni comuni per gli Italiani 2018 Achille Meloncelli, 2019-11-22 L'ACPI 2018 elenca le abbreviazioni comuni coniate ad uso degli Italiani contenute soprattutto in alcuni dei giornali quotidiani del 2018. Lo scopo è quello di facilitare la lettura e la comprensione dei testi che fanno uso della brachigrafia.

PROFUGOPOLI VITTIME E CARNEFICI ANTONIO GIANGRANDE, E' comodo definirsi scrittori da parte di chi non ha arte né parte. I letterati, che non siano poeti, cioè scrittori stringati, si dividono in narratori e saggisti. E' facile scrivere "C'era una volta...." e parlare di cazzate con nomi di fantasia. In questo modo il successo è assicurato e non hai rompiballe che si sentono diffamati e che ti querelano e che, spesso, sono gli stessi che ti condannano. Meno facile è essere saggisti e scrivere "C'è adesso...." e parlare di cose reali con nomi e cognomi. Impossibile poi è essere saggisti e scrivere delle malefatte dei magistrati e del Potere in generale, che per logica ti perseguitano per farti cessare di scrivere. Devastante è farlo senza essere di sinistra. Quando si parla di veri scrittori ci si ricordi di Dante Alighieri e della fine che fece il primo saggista mondiale. Le vittime, vere o presunte, di soprusi, parlano solo di loro, inascoltati, pretendendo aiuto. Io da vittima non racconto di me e delle mie traversie. Ascoltato e seguito, parlo degli altri, vittime o carnefici, che l'aiuto cercato non lo concederanno mai. "Chi non conosce la verità è uno sciocco, ma chi, conoscendola, la chiama bugia, è un delinquente". Aforisma di Bertolt Brecht. Bene. Tante verità soggettive e tante omertà son tasselli che la mente corrompono. Io le cerco, le filtro e nei miei libri compongo il puzzle, svelando l'immagine che dimostra la verità oggettiva censurata da interessi economici ed ideologie vetuste e criminali. Rappresentare con verità storica, anche scomoda ai potenti di turno, la realtà contemporanea, rapportandola al passato e proiettandola al futuro. Per non reiterare vecchi errori. Perché la massa dimentica o non conosce. Denuncio i difetti e caldeggio i pregi italiani. Perché non abbiamo orgoglio e dignità per migliorarci e perché non sappiamo apprezzare, tutelare e promuovere quello che abbiamo ereditato dai nostri avi. Insomma, siamo bravi a farci del male e qualcuno deve pur essere diverso!
