Her writing is peppered with incisive social detail, helping the backdrop to each story breathe as deeply as the characters. A superb book for those who want to get to know this extraordinary novelist a little better. Edith Wharton (1862 – 1937) was an American designer and novelist. Born in an era when the highest ambition a woman could aspire to was a good marriage, Wharton went on to become one of America's most celebrated authors. She moved to France in 1923, where she continued to write until her death.
