

Books Written By David McCullough

David McCullough

David McCullough American Presidents E-Book Box Set David McCullough, 2011-05-24 From "America's most beloved biographer, David McCullough" (Time)—a collection of his bestselling biographies of American Presidents. This ebook box set features David McCullough's award-winning biographies of American Presidents. John Adams is the magisterial, Pulitzer Prize-winning biography of the independent, irascible Yankee patriot, one of our nation's founders and most important figures, who became our second president. Mornings on Horseback is the brilliant National Book Award-winning biography of young Theodore Roosevelt's metamorphosis from sickly child to a vigorous, intense man poised to become a national hero and then president. Truman is the Pulitzer Prize-winning biography of Harry Truman, the complex and courageous man who rose from modest origins to make momentous decisions as president, from dropping the atomic bomb to going to war in Korea. Including a special bonus: The Course of Human Events. In this Jefferson Lecture in the Humanities, David McCullough draws on his personal experience as a historian to acknowledge the crucial importance of writing in history's enduring impact and influence, and he affirms the significance of history in teaching us about human nature through the ages.

David McCullough Great Moments in History E-book Box Set David McCullough, 2011-05-24 From New York Times bestselling author David McCullough, a special ebook boxed set features books that study key points of American history. The David McCullough Great Moments in History ebook box set includes the following McCullough classics: 1776 is the riveting story of George Washington, the men who marched with him, and their British foes in the momentous year of American independence. The Johnstown Flood is the classic history of an American tragedy that became a scandal in the age of the Robber Barons, the preventable flood that destroyed a town and killed 2,000 people. Path Between the Seas is the epic National Book Award-winning history of the heroic successes, tragic failures, and astonishing engineering and medical feats that made the Panama Canal possible. The Great Bridge is the remarkable, enthralling story of the planning and construction of the Brooklyn Bridge, which linked two great cities and epitomized American optimism, skill, and determination. A special bonus is included: The Course of Human Events. In this Jefferson Lecture in the Humanities, David McCullough draws on his personal experience as a historian to acknowledge the crucial importance of writing in history's enduring impact and influence, and he affirms the significance of history in teaching us about human nature through the ages.

History Matters David McCullough, 2025-09-16 In this posthumous collection of thought-provoking essays—many never published before—Pulitzer Prize-winning historian and bestselling author David McCullough affirms the value of history, how we can be guided by its lessons, and the enduring legacy of American ideals. *History Matters* brings together selected essays by beloved historian David McCullough, some published here for the first time, written at different points over the course of his long career but all focused on the subject of his lifelong passion: the importance of history in understanding our present and future. Edited by McCullough's daughter, Dorie McCullough Lawson, and his longtime researcher, Michael Hill, *History Matters* is a tribute to a master historian and offers fresh insights into McCullough's enduring interests and writing life. The book also features a foreword by Jon Meacham. McCullough highlights the importance of character in political leaders, with Harry Truman and George Washington serving as exemplars of American values like optimism and determination. He shares his early influences, from the books he cherished in his youth to the people who mentored him. He also pays homage to those who inspired him, such as writer Paul Horgan and painter Thomas Eakins, illustrating the diverse influences on his writing as well as the influence of art. Rich with McCullough's signature grace, curiosity, and narrative gifts, these essays offer vital lessons in viewing history through the eyes of its participants, a perspective that McCullough believed was crucial to understanding the present as well as the past. *History Matters* is testament to McCullough's legacy as one of the great storytellers of this nation's history and of the lasting promise of American ideals.

John Adams David McCullough, 2001 Profiles John Adams, an influential patriot during the American Revolution who became the nation's first vice president and second president.

Seventeen Seventy-six David McCullough, 2006-07-04 Chronicles the American Revolution during the year 1776, examining the leadership of George Washington and British commander William Howe and the experiences of American and British troops.

Brave Companions David McCullough, 2007-05-31 From Alexander von Humboldt to Charles and Anne Lindbergh, these are stories of people of great vision and daring whose achievements continue to inspire us today, brilliantly told by master historian David McCullough. The bestselling author of *Truman* and *John Adams*, David McCullough has written profiles of exceptional men and women past and present who have not only shaped the course of history or changed how we see the world but whose stories express much that is timeless about the human condition. Here are Alexander von Humboldt, whose epic explorations of South America surpassed the Lewis and Clark expedition; Harriet Beecher Stowe, "the little woman who made the big war"; Frederic Remington; the extraordinary Louis Agassiz of Harvard; Charles and Anne Lindbergh, and their fellow long-distance pilots Antoine de Saint-Exupéry and Beryl Markham; Harry Caudill, the Kentucky lawyer who awakened the nation to the tragedy of Appalachia; and David Plowden, a present-day photographer of vanishing America. Different as they are from each other, McCullough's subjects have in common a rare vitality and sense of purpose. These are brave

companions: to each other, to David McCullough, and to the reader, for with rare storytelling ability McCullough brings us into the times they knew and their very uncommon lives.

Mornings on Horseback David McCullough, 2001-06 Winner of the 1982 National Book Award for Biography, *Mornings on Horseback* is the brilliant biography of the young Theodore Roosevelt. Hailed as a masterpiece by *Newsday*, it also won the Los Angeles Times Book Prize for Biography. Now with a new introduction by the author, *Mornings on Horseback* is reprinted as a Simon & Schuster Classic Edition. *Mornings on Horseback* is about the world of the young Theodore Roosevelt. It is the story of a remarkable little boy, seriously handicapped by recurrent and nearly fatal attacks of asthma, and his struggle to manhood: an amazing metamorphosis seen in the context of the very uncommon household (and rarefied social world) in which he was raised. His father is the first Theodore Roosevelt, Greatheart, a figure of unbounded energy, enormously attractive and selfless, a god in the eyes of his small, frail namesake. His mother, Mittie Bulloch Roosevelt, is a Southerner and celebrated beauty, but also considerably more, which the book makes clear as never before. There are sisters Anna and Corinne, brother Elliott (who becomes the father of Eleanor Roosevelt), and the lovely, tragic Alice Lee, Teddy Roosevelt's first love. And while such disparate figures as Abraham Lincoln, Mrs. John Jacob Astor, and Senator Roscoe Conkling play a part, it is this diverse and intensely human assemblage of Roosevelts, all brought to vivid life, which gives the book its remarkable power. The book spans seventeen years -- from 1869 when little Teedie is ten, to 1886 when, as a hardened real life cowboy, he returns from the West to pick up the pieces of a shattered life and begin anew, a grown man, whole in body and spirit. The story does for Teddy Roosevelt what *Sunrise at Campobello* did for FDR -- reveals the inner man through his battle against dreadful odds. Like David McCullough's *The Great Bridge*, also set in New York, this is at once an enthralling story, with all the elements of a great novel, and a penetrating character study. It is brilliant social history and a work of important scholarship, which does away with several old myths and breaks entirely new ground. For the first time, for example, Roosevelt's asthma is examined closely, drawing on information gleaned from private Roosevelt family papers and in light of present-day knowledge of the disease and its psychosomatic aspects. At heart it is a book about life intensely lived...about family love and family loyalty...about courtship and childbirth and death, fathers and sons...about winter on the Nile in the grand manner and Harvard College...about gutter politics in washrooms and the tumultuous Republican Convention of 1884...about grizzly bears, grief and courage, and blessed mornings on horseback at Oyster Bay or beneath the limitless skies of the Badlands. Black care rarely sits behind a rider whose pace is fast enough, Roosevelt once wrote. It is the key to his life and to much that is so memorable in this magnificent book.

Truman David McCullough, 1992-06-15 In this riveting biography, David McCullough captures Harry S. Truman and the turbulent, historically significant times during which he served.

David McCullough's John Adams David McCullough, John Henriksen, 2003 In 2001, David McCullough's Pulitzer

prizewinning and bestselling biography John Adams rediscovered our second president and revealed fascinating aspects of his life that few had known before. Here is additional background and historical context that can help you better understand McCullough's brilliantly written and illuminating portrait: Why do some consider Adams to be the first real U.S. president? How might Adams fare if he were a candidate today? What are Adams's greatest political legacies?

David McCullough: Great Achievements in American History David McCullough, 2017-11-07 From “one of our most gifted living writers” (The Washington Post), three great stories of American accomplishment—the building of the Brooklyn Bridge, the construction of the Panama Canal, and the invention of flight—all collected in one volume. This boxed set includes the following three volumes: *The Great Bridge* The dramatic and enthralling story of the building of the Brooklyn Bridge, the world’s longest suspension bridge at the time, a tale of greed, corruption, and obstruction but also of optimism, heroism, and determination. *The Path Between the Seas* The National Book Award-winning epic chronicle of the creation of the Panama Canal, a first-rate drama of the bold and brilliant engineering feat that was filled with both tragedy and triumph. *The Wright Brothers* The #1 New York Times bestseller—the dramatic story-behind-the-story about the courageous brothers who taught the world how to fly—Wilbur and Orville Wright.

Summer of Seventeen David McCullough, 2021-09-14

The American Spirit David McCullough, 2017-04-18 A New York Times Bestseller A timely collection of speeches by David McCullough, one of America’s most honored historians—winner of two Pulitzer Prizes, two National Book Awards, and the Presidential Medal of Freedom—that reminds us of the enduring principles at the heart of the American experience. “Insightful and inspirational, *The American Spirit* summons a vexed and divided nation to remember—and cherish—our unifying ideas and ideals” (Richmond Times-Dispatch). Over the course of his distinguished career, McCullough has addressed Congress, the White House, universities, and historical institutions across the country. Now, in an era of self-reflection following a divisive political season, he brings together these stirring speeches in a powerful volume celebrating civic duty, American character, and historical perspective. “*The American Spirit* is as inspirational as it is brilliant, as simple as it is sophisticated” (Buffalo News). McCullough reminds us of the values that unite us as Americans—regardless of region, political affiliation, or background. This is a book of history, hope, and reflection that speaks directly to readers seeking wisdom, unity, and a deeper connection to the ideals that define the United States.

The Path Between the Seas David McCullough, 2001-10-27 The National Book Award-winning epic chronicle of the creation of the Panama Canal, a first-rate drama of the bold and brilliant engineering feat that was filled with both tragedy and triumph, told by master historian David McCullough. From the Pulitzer Prize-winning author of *Truman*, here is the national bestselling epic chronicle of the creation of the Panama Canal. In *The Path Between the Seas*, acclaimed historian David McCullough delivers a first-rate drama of the sweeping human undertaking that led to the creation of this grand

enterprise. *The Path Between the Seas* tells the story of the men and women who fought against all odds to fulfill the 400-year-old dream of constructing an aquatic passageway between the Atlantic and Pacific oceans. It is a story of astonishing engineering feats, tremendous medical accomplishments, political power plays, heroic successes, and tragic failures. Applying his remarkable gift for writing lucid, lively exposition, McCullough weaves the many strands of the momentous event into a comprehensive and captivating tale. Winner of the National Book Award for history, the Francis Parkman Prize, the Samuel Eliot Morison Award, and the Cornelius Ryan Award (for the best book of the year on international affairs), *The Path Between the Seas* is a must-read for anyone interested in American history, the history of technology, international intrigue, and human drama.

The Course of Human Events David McCullough, 2009-12-01 Forty years after his first book, David McCullough wrote and presented his speech, *The Course of Human Events*, in the 2003 Jefferson Lecture in the Humanities, in which he divulges his philosophy on writing, speaking, and history in his masterful storytelling style. In this Jefferson Lecture in the Humanities, David McCullough draws on his personal experience as a historian to acknowledge the crucial importance of writing in history's enduring impact and influence, and he affirms the significance of history in teaching us about human nature through the ages.

The Pioneers David McCullough, 2019-05-07 The #1 New York Times bestseller by Pulitzer Prize-winning historian David McCullough rediscovers an important chapter in the American story that's "as resonant today as ever" (*The Wall Street Journal*)—the settling of the Northwest Territory by courageous pioneers who overcame incredible hardships to build a community based on ideals that would define our country. As part of the Treaty of Paris, in which Great Britain recognized the new United States of America, Britain ceded the land that comprised the immense Northwest Territory, a wilderness empire northwest of the Ohio River containing the future states of Ohio, Indiana, Illinois, Michigan, and Wisconsin. A Massachusetts minister named Manasseh Cutler was instrumental in opening this vast territory to veterans of the Revolutionary War and their families for settlement. Included in the Northwest Ordinance were three remarkable conditions: freedom of religion, free universal education, and most importantly, the prohibition of slavery. In 1788 the first band of pioneers set out from New England for the Northwest Territory under the leadership of Revolutionary War veteran General Rufus Putnam. They settled in what is now Marietta on the banks of the Ohio River. McCullough tells the story through five major characters: Cutler and Putnam; Cutler's son Ephraim; and two other men, one a carpenter turned architect, and the other a physician who became a prominent pioneer in American science. "With clarity and incisiveness, [McCullough] details the experience of a brave and broad-minded band of people who crossed raging rivers, chopped down forests, plowed miles of land, suffered incalculable hardships, and braved a lonely frontier to forge a new American ideal" (*The Providence Journal*). Drawn in great part from a rare and all-but-unknown collection of diaries and letters by the key figures, *The*

Pioneers is a uniquely American story of people whose ambition and courage led them to remarkable accomplishments. “A tale of uplift” (The New York Times Book Review), this is a quintessentially American story, written with David McCullough’s signature narrative energy.

John Adams David McCullough, 2012-12-11 The Pulitzer Prize-winning biography of an American Founding Father. A huge bestseller in America, David McCullough's JOHN ADAMS tells the extraordinary story of the brilliant, fiercely independent, often irascible, always honest Yankee patriot -- 'the colossus of independence', as Thomas Jefferson called him -- who spared nothing in his zeal for the American Revolution and who rose to become the second President of the United States. Both a riveting portrait of an abundantly human man and a vivid evocation of his time, JOHN ADAMS has the sweep and vitality of a great novel, taking us from the Boston Massacre to Philadelphia in 1776 to the Versailles of Louis XVI, from Spain to Amsterdam to London, where Adams was the first American to stand before King George III as a representative of the new nation. This is history on a grand scale -- a book about politics and war, but also about human nature, love, faith, virtue, ambition, friendship and betrayal, and the far-reaching consequences of noble ideas. Above all, it is an enthralling, often surprising story of one of the most important and fascinating Americans who ever lived.

David McCullough: The Presidential Biographies David McCullough, 2017-11-07 From “one of our most gifted living writers” (The Washington Post), this collection includes David McCullough’s masterful biographies of three great presidents: John Adams, Harry S. Truman, and Theodore Roosevelt. Both John Adams and Truman won the Pulitzer Prize for biography. This boxed set will include the following three volumes: John Adams The Pulitzer Prize-winning, bestselling biography of America’s founding father and second president that was the basis for the acclaimed HBO series, John Adams reads like an epic historical novel, breathing fresh life into the history of the American Revolution and the birth of the young republic. Truman The Pulitzer Prize-winning biography of Harry S. Truman, whose presidency included momentous events from the atomic bombing of Japan to the outbreak of the Cold War and the Korean War. Mornings on Horseback The National Book Award-winning biography that tells the story of how young Teddy Roosevelt transformed himself from a sickly boy into the vigorous man who would become a war hero and ultimately president of the United States.

The Mother of All Booklists William Patrick Martin, 2014-12-24 The Mother of All Booklists: The 500 Most Recommended Nonfiction Reads for Ages 3 to 103 is written for parents, grandparents, and teachers unfamiliar with the bewildering array of award and recommended reading lists. This book is a long overdue composite of all the major booklists. It brings together over 100 of the most influential book awards and reading lists from leading magazines, newspapers, reference books, schools, libraries, parenting organizations, and professional groups from across the country. The Mother of All Booklists is to reading books what the website Rotten Tomatoes is to watching movies—the ultimate, one-stop, synthesizing resource for finding out what is best. Mother is not the opinion of one book critic, but the aggregate opinion of an army of critics.

Organized into five age group lists each with one hundred books—preschoolers (ages 3-5), early readers (ages 5-9), middle readers (ages 9-13), young adults (ages 13-17), and adults (ages 18+)—The Mother of All Booklists amalgamates the knowledge of the best English-language booklists in the United States, including a few from Canada and Great Britain. Each of the 500 books is annotated, describing the contents of the book and suggesting why the book is unique and important. Each includes a picture of the book cover.

John Adams David G. McCullough, 2001 In this biography, David McCullough unfolds the adventurous life-journey of John Adams, the brilliant, fiercely independent, often irascible, always honest Yankee patriot - the colossus of independence, as Thomas Jefferson called him - who spared nothing in his zeal for the American Revolution; who rose to become the second President of the United States and saved the country from blundering into an unnecessary war; who was learned beyond all but a few and regarded by some as out of his senses; and whose marriage to the wise and valiant Abigail Adams is one of the moving love stories in American history.

Biography / Autobiography Awards 1917-1992 Heinz-D. Fischer, 2011-04-20 The School of Journalism at Columbia University has awarded the Pulitzer Prize since 1917. Nowadays there are prizes in 21 categories from the fields of journalism, literature and music. The Pulitzer Prize Archive presents the history of this award from its beginnings to the present: In parts A to E the awarding of the prize in each category is documented, commented and arranged chronologically. Part F covers the history of the prize biographically and bibliographically. Part G provides the background to the decisions.

Enjoying the Melody of Term: An Mental Symphony within **Books Written By David Mccullough**

In a world taken by displays and the ceaseless chatter of instantaneous transmission, the melodic elegance and emotional symphony produced by the published word often fade in to the backdrop, eclipsed by the persistent noise and disruptions that permeate our lives. However, set within the pages of **Books Written By David Mccullough** a wonderful fictional value filled with fresh emotions, lies an immersive symphony waiting to be embraced. Constructed by an elegant composer of language, that charming masterpiece conducts viewers on an emotional trip, well unraveling the hidden songs and profound influence resonating within each carefully crafted phrase. Within the depths with this poignant evaluation, we shall examine the book is key harmonies, analyze their enthralling writing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
