Deep in the Shadows Hipólito Acosta,2017-03-31 “You have a lot of enemies, Hipólito. I heard rumors in jail that some of the people you busted are going to try to kill you, so you better watch yourself.” U.S. Special Agent Hipólito Acosta had put lots of thugs in jail, but the death threat from an imprisoned convict was still a shock. Acosta recounts his often-dangerous exploits as a law enforcement agent over more than 30 years, which frequently included going undercover as a human smuggler or an undocumented immigrant. He targeted those who took advantage of immigrants, stuffing them into car trunks for hours-long drives from the border to the north; counterfeiters who, for the right price, provided false social security cards and other papers; and even corrupt agents who earned significant financial rewards on the backs of desperate migrants. Though catching drug dealers wasn’t in his job description, when the opportunity to take them down presented itself, Acosta enthusiastically complied—even if he had to do it without the support of governmental agencies. And later in his career, diplomatic postings in the Philippines and Mexico expanded his experience with immigration issues. This exciting memoir of a life spent in pursuit of human traffickers is an eye-opening look at smugglers and other criminals involved in the sale of counterfeit documents, narcotics and weapons.

A stunning, defiant debut.— Guardian Hiller brings to his works not only a craftsman's skill but also a compassion for his characters that proves infectious.— Haaretz A chilling rites-of-passage novel set in Beirut in 1982 during the killings in the camps.— The Economist It is the summer of 1982 and Beirut is under siege. Eighteen-year-old Ivan's parents have just been evacuated from the city with other members of the Palestine Liberation Organization. Ivan stays on, interpreting for international medical volunteers in Sabra refugee camp and working undercover for the PLO. Hoping to get closer to Eli, a Norwegian physiotherapist, he helps her treat Youssef, a camp orphan disabled by a cluster bomb. An unexpected friendship develops between the three and things begin to look up. But events take a nasty turn when the president-elect is assassinated. The Israeli army enters Beirut and surrounds the camp, with Eli and Youssef trapped inside. What happens next makes international headlines and leaves Ivan scrabbling to salvage something positive from the chaos. Mischa Hiller, of English-Palestinian descent, was born in England in 1962 and grew up in London, Dar es Salaam, and Beirut.
