*Calm the H*ck Down* Melanie Dale,2020-12-08 From author and speaker Melanie Dale comes a laugh-out-loud hilarious parenting book that teaches you how to dial back the stress of raising children with the simple premise that we all just need to lighten up a little bit. Most of us thought we'd be amazing parents—and then we had kids. Now we spend what little free time we have comparing ourselves to other parents, comparing our kids to other kids, and panicking that everyone else is nailing it except us. Between constant social media postings to conflicting advice found in parenting books, we often have no choice but to freak out. But there is another way. We all just need to calm the h*ck down. Melanie Dale—a special needs parent, adoptive parent, in vitro parent, and reluctant cheer mom—believes we are all putting too much pressure on ourselves and our kids to be perfect. Instead, she argues, we need to take a step back so we can actually enjoy this journey called parenting. *Calm the H*ck Down* is filled with stories from Melanie's own life, as well as real-life research for learning how to lighten up about every aspect of parenting—from poopy diapers and germs to family vacations and adolescent angst. She also discusses the pressure to knock it all out of the Pinterest park, the challenge of instilling some kind of faith into your kids, and worrying about their future while still trying to live in the present. Infused with quirky humor, profound insight, and accessible advice, *Calm the H*ck Down* gives you the permission to finally relax and enjoy this ridiculous thing we do called parenting.

Dirk (Book 1) Lena Pierce, This is book 1 of the Shattered Hearts MC romance series! Books 2 and 3 are available everywhere now! Dirk Dvorak takes what he wants. He came to keep me safe. He won't rest until he's claimed me for himself. But betrayal on all sides leaves us with only each other. Can I trust the man who's sworn to break me? MEGHAN I got away from the biker life a long time ago. Since then, I've put as much distance as possible between myself and my brother's club, the Shattered Hearts MC. I built a new life. Away from the hatred. Away from the violence. But then my brother gets in touch and tells me I'm in danger. Now, whether I like it or not, he's pulling me back into the world of the Hearts to "protect" me. The man he sends to collect me is everything I ran away from. Dirk Dvorak is dangerous, deadly, and drop-dead gorgeous. And if I'm not careful, he's going to break my heart. DIRK One rule in the biker world: Do what your president says. But when the job turns out to be collecting his baby sister and keeping her out of trouble, the stakes are that much higher. I'm supposed to keep my hands to myself. But that's impossible. Because Meghan is sassy, fierce, and too tempting. I've kept my distance until now, but I won't last much longer. The problem is, it's never as simple as making her mine. This started as a straightforward bodyguard gig. But then the killers came for us. And now it's a whole new ballgame. There's blood to be shed. A woman to be protected. And maybe, at the end of all this... A new life with her, there for the taking.

Can't Help Falling in Love Sophie Sullivan, 2024-09-17 A struggling waitress and the heir to a major Seattle company stumble into a high-profile fake engagement while simultaneously trying to keep up with their own love lives in this flirty fall rom-com! Lexi Danby is looking for some no-strings, fall fun. Once a college track star, she was forced to drop out when her father passed away. Now she's trying to make ends meet while putting herself through school and caring for her grieving mother. When her comically bad waitressing lands her directly in the path of a handsome, charming stranger named Will, Lexi may just have found the distraction she's been looking for. Their first date looks promising until a misunderstanding at a party thrusts Lexi and Will into a fake engagement they can't talk themselves out of. And Will turns out to be a member of Seattle royalty. Will Grand is heir to a major company, and Seattle's most eligible bachelor. But he's been placed in charge of an important merger with a company that values family above all else, and needs to show them that he's settled down. While a fake engagement is advantageous from a business standpoint, it's not so great for a budding relationship with a woman who's wary of commitment. With a woman who Will is beginning to care about much more than he could have anticipated. As Lexi gets a taste of Will's glamorous world and the pair keeps up the pretense of their fake engagement for the press, they decide to see where a more casual relationship takes them out of the spotlight. And amid apple picking in comfy flannels, outdoor breweries in the crisp air, and fun Halloween preparations, Lexi starts to realize the scariest part of the season might just be taking a chance on love. Sophie Sullivan consistently crafts romances to root for. -Courtney Kae, author of *In the Event of Love* and *In the Case of Heartbreak*

Shane Scully Double Pack Stephen J. Cannell, 2004-01-27 This Shane Scully Double Pack is two novels in one--*Vertical Coffin* plus *The Tin Collectors*, Stephen J. Cannell's first Shane Scully novel! A nightmarish series of events sweeps LAPD's Sergeant Shane Scully and his wife (and boss), Alexa, into the vortex of an enormous, jurisdictional firestorm. First, a sheriff's deputy, a friend of Shane's, is gunned down while serving a routine search warrant. His fellow deputies blame the incident on the Bureau of Alcohol, Tobacco and Firearms, whom they angrily accuse of having failed to warn them that the suspect had a huge arsenal of illegal weapons in his house. Soon thereafter, a member of the ATF Situation Response Team is shot to death, followed by the sniper murder of the Sheriff's Special Enforcement Bureau. At the request of the Mayor, LAPD, as an uninvolved and unbiased agency, assigns Shane Scully to investigate. He is given an impossible deadline to find a solution before these two elite and deadly SWAT Teams kill each other off amid a hurricane of horrible publicity. Shane pursues his investigation in a direction that neither his chief nor his wife agrees with, and succeeds in putting himself, his loved ones, and his career in terrible jeopardy before he finally discovers the shocking and deadly truth.

Bananapants Penny Reid, 2024-08-06 Estranged childhood friends unexpectedly reunite under bizarre circumstances and bicker their way to love in this bonkers romantic comedy. Ava Archer misses her best childhood friend most especially during the month of April. Ask any tax attorney, it's a lonely, grueling time of year. Luckily, Ava has just received a surprising

and delectably absurd offer from her posh doppelgänger at work. She must pretend to be the aforementioned posh co-worker for one night at an extremely fancy party; a party so fancy, there exists absolutely no chance anyone will recognize her or suspect her ruse. . . Desmond (Des) Sullivan is a thief. And not the heart-of-gold kind. He's the steal-from-the-rich-and-give-to-the-also-rich-so-he-can-get-paid kind. He does, however, have one firm rule: never steal what the target can't afford to lose. After a brutal falling out with his father, Desmond hasn't returned to Chicago in over ten years. But when a good friend is swindled and something priceless is stolen, Desmond must return home, both as himself and his thieving alter ego. Infiltrate a dangerous secret society of the world's most elite billionaires while leveraging his estranged father's resources and not blowing his cover? Sure. No problem. Or it wouldn't be a problem if Ava Archer hadn't just walked into the room, wearing a ridiculous wig, speaking with a preposterous accent, and pretending (badly) to be someone she's not. *Bananapants* is a full-length, contemporary romantic comedy filled with hijinks and shenanigans. It can be read as a standalone, but the parents of the main characters will be familiar to anyone who has read the *Knitting in the City* series.

Her Word Is Bond Cristalle "Psalm One" Bowen, 2022-06-21 "Nowhere near famous but still infamous," Psalm One is a legend to rap nerds, scholars, and "heads," and has gone on to work with the brightest names in rap and have her work celebrated and taught around the globe. In *Her Word Is Bond*, Psalm One tells her own story, from growing up in Englewood, Chicago through her life as a chemist, teacher, and legendary rapper. Intrinsically feminist, this story is a celebration of the life and career of one artist who blazed the trail for women in hip hop.

How to Survive Everything Ewan Morrison, 2022-03-29 A New York Times Editor's Pick. Shortlisted for the Bookmark Festival Book of the Year and the McIlvanney Prize I wasn't sure there could be a great pandemic novel. Here it is. Ian Rankin My name is Haley Cooper Crowe and I am in lockdown in a remote location I can't tell you about. It's five years after the pandemic, and for most people life has returned to normal—but not for Haley Cooper Crowe and her brother Ben. Children of divorce, they live with their mother, but their dad believes there's a new, much deadlier virus spreading out of control, and that he can only save his kids by kidnapping them and hiding them in his remote prepper hideaway. Once confined to their off-grid "safe house", Haley and Ben are completely cut off from civilisation. Will they make it out alive? How can they save their mother? How can they discover what's happening on the outside? Propulsive, electrifying, tense, and often visceral and funny, *How to Survive Everything* is one teenage girl's guide to navigating the imminent collapse of her world, family and sanity.

Blackout Annie Solomon, 2024-09-24 A female black ops agent whose memory has been wiped clean is framed for the murder of the Deputy Director of the Terrorism Control Force - a man she doesn't remember knowing. As she tries to figure out what happened to her she's pursued by the police, her own agency and a mysterious watcher who may or may not believe in her innocence.

Glorious Frazzled Beings Angélique Lalonde, 2021-09-07 Home is where we love, suffer, and learn. Some homes we chose, others are inflicted upon us, and still others are bodies we are born into. In this astounding collection of stories, human and more-than-human worlds come together in places we call home. Four sisters and their mother explore their fears while teeny ghost people dress up in fragments of their children's clothes. A somewhat-ghost tends the family garden. Deep in the mountains, a shapeshifting mother must sift through her ancestors' gifts and the complexities of love when one boy is born with a beautiful set of fox ears and another is not. In the wake of her elderly mother's tragic death, a daughter tries to make sense of the online dating profile she left behind. And a man named Pooka finds new ways to weave new stories into his abode, in spite of his inherited suffering. A startling and beguiling story collection, *Glorious Frazzled Beings* is a love song to the homes we make, keep, and break.
