

Find A Way To The Inner Gene Locked Hatch

PT Brinkman

Chains of Gold John McKinna, From the author of Crash Dive, Tiger Reef and Shark Lake Greed, drug trafficking, kidnapping and murder... The Spanish Galleon Arista sank in 1539 due to a storm and the heavy weight of its cargo. The ship had been carrying Aztec golden treasure; chains, goblets, plates, statues, lamps, ceremonial swords, bricks, bars, and coins, all of solid Aztec gold. Much of the gold, however, had been thrown overboard trying to save the ship. Having read a portion of its log, deep sea divers Ben Gannon and Eugene McCluskey were convinced by the descendants of the ship's owner to recover it and its bounty. When the treasure proved to be illusive, the job became treacherous with twists and turns that include greed, drug trafficking, kidnapping and murder.

The Black Ugly Spider Bernie Unwin Spencer, 2022-08-31 A young woman called Tina becomes the first victim of a mutated spider, beginning a horrific and bloodthirsty story set in the near future on the Island of Manhattan. Two young, naïve scientists are frantically searching for the cure for Alzheimer's disease, but inadvertently contaminate the arachnid specimen. The whole of the Island, along with New York city itself must bear the brunt of the total devastation that follows. If these bloodthirsty, black, hideous spiders cannot be stopped here and now, then the entire world will be overrun by these terrifying creatures, killing every man, woman and child on the planet.
