De poesía medieval con sus glosas ahora nuevamente añadidas Carlos Alvar Ezquerro,2014-10-20 El objetivo de la presente antología es recopilar los artículos de Carlos Alvar sobre poesía castellana y lírica tradicional publicados desde 1976 a 2012. Supone una oportunidad de leer el conjunto de esta sección de su obra, no quedándonos en la especificidad de algunos análisis ni perdiendo alguna pieza de los procesos intrínsecos de convergencia que éstos suponen en la totalidad de su discurso crítico. Sus trabajos forman un discurso unitario y complejo, original, fundamental, como lo son sus estudios sobre la poesía inmediatamente posterior a 1350, en un momento clave para la transición de la lírica gallego-portuguesa a la castellana a través de la poesía gallego-castellana; u otros sobre complejos espacios de transición, advertidos en el prólogo de Tavani, como los que llevan «de los trovadores y stilnovisti al petrarquismo, aunque tardío», «el progresivo, lento y laborioso paso, en el área hispánica en general y en la castellana en particular, de la Edad Media al Humanismo» o «de las formas embrionarias de teatro de los siglos precedentes a la obra de Juan del Encina y Lucas Fernández»; o las aportaciones que inauguran un método de trabajo o sientan las bases críticas para el estudio de la poesía de cancionero castellana y de la poesía tradicional; o la facilidad para la transición y la transgresión de las fronteras entre tradiciones literarias cuando entra en juego la lírica tradicional. El género poético de la glosa, que da nueva vida a poemas anteriores y les aporta mayor perdurabilidad si cabe, se aplica a este terreno científico, de manera que cada uno de los estudios de Alvar va acompañado de una contribución de reconocidos filólogos que determinan su efecto crítico. La reedición de estos trabajos, como en la imprenta antigua, ofrece una novedad que va más allá de la mera recopilación. Carlos Alvar (Granada, 1951) es catedrático de Filología Románica y de Literatura Española de la Edad Media en las Universidades de Alcalá y de Ginebra. Es doctor

honoris causa de la Universidad de Córdoba y de la Universidad Hebrea de Jerusalén. Ha desarrollado su actividad como profesor e investigador en España, Italia, Alemania, Suiza y Estados Unidos. Es presidente de honor de la Sociedad Española de Literatura General y Comparada de la Asociación Hispánica de Literatura Medieval y de la Asociación Internacional de Hispanistas. Es presidente de la sección española de la Société Internationale Arthurienne. Preside la Société Rencesvals, dedicada al estudio de la épica románica. Dirige el Instituto de «Literatura y Traducción» del Centro Internacional de la Lengua Española (CiLengua). Es autor de casi tres centenares de artículos y de una treintena de libros especializados en literatura medieval española y románica en general, que le han dado un amplio reconocimiento internacional.

Diario Oficial Colombia,1955

El nacional Ecuador,1867

Historia, reescritura y pervivencia del romancero Rafael Beltrán Llavador,2000 Nacido en la Edad Media, el romancero, género literario de gran intensidad poética y de constante capacidad de renovación, se ha mantenido hasta nuestros días como un insólito fenómeno de transformación creativa y artística. Este volumen reúne algunas de las aportaciones presentadas en las Jornadas sobre Romancero Hispánico (Valencia, 1998). A partir de los estudios que ahora se publican, se aborda el problema de la construcción del romancero -a través de un complejo proceso de relecturas y reescrituras-, las vinculaciones entre la transmisión oral y la textual y, finalmente, la pervivencia en la actualidad de los romances orales en el País Valenciano. Esta obra nos acerca así a un mundo que hoy puede parecer lejano pero que, sin embargo, continúa teniendo una presencia cercana y accesible.

Ultimo glosario: De la ermita al finisterre Eugenio d' Ors,1998

París 1924-1933 Miguel Ángel Asturias,Amos Segala,1988 Pocas veces la relación entre un escritor y su patria alcanza un grado de contradicción tan profundo y desgarrador como el que tuvo la que se estableció entre Guatemala y Miguel Ángel Asturias. Para conocer la verdadera dimensión del conflicto es indispensable la lectura de los artículos y crónicas periodísticas de su juventud, que operan como un brete mismo de la desgarradura original que se manifestó claramente desde el exilio del escritor en 1954. Este libro reúne esos escritos.
