By reading Grey, the reader has the opportunity to look at everything that happened in the novel from Grey's eyes; his relationship with Anastasia

Steele, his relationship with his family, his own personal perspective of his past events and traumas and his own feelings, excitement and dilemmas when dealing with challenges such as dating Mrs. Steele, and the fact that Ana was the first woman who was able to ease his rules considering signing and obeying the contract. Grey is not a book, but instead, it serves as a fine supplement to the existing trilogy because of its nature. It is here to show us who Christian Grey really is.
