Destiny Peter James Ford, 2024-03-04 "DESTINY" is a book recording the continual soul expansion of the seeker, Peter James Ford. Peter's journey began after a powerful spiritual experience in the little historic seaport in Newburyport, Massachusetts. In Peter's late night meditations which were along the Merrimac River, the boardwalk, the Salisbury Reservation on the Atlantic Ocean, Plum Island, Maudsley Estate State Park, Pow Wow Hill (Native American Burial Grounds) and Old Hill Burial Grounds he was having vivid visions in his mind of 'seeming' past life experiences and powerful insights. Peter began seeing the hidden secrets of this quaint little seaport that people never take the time to see. Peter's intuition and senses increased in an almost scary powerful way giving Peter wisdom from unseen sources. One source may be the Akashic Records/Library that is not a physical library but a place in the ethers that contains all the wisdom and

knowledge ever known to anyone over the eons. We can access this power through ancient spiritual practices and apparently Peter has done just that. Stories and Tales began flowing from Peter and he wrote his first book. In the last three years Peter has written ten more books and shares everything he has found from his journeys to the inner worlds. Peter wrote a seven-book series under the title “MYSTICISM IN NEWBURYPORT” then the eighth and ninth bonus/companion books called “MYSTIC” & “VISION QUEST.” Then “SHAMBHALA’S GHOSTS” was to join the collection of mystical tales. Now you are holding his new writings in your hands. Peter laughingly calls himself “An Unlikely Messenger” as his younger years were nothing resembling anything spiritual. So, here is the story of just another seeker realizing his divinity and returning to his own heart...

Dear Avery Avery Banks, 2019-04 Very cynical, very me (and probably a few others too). I got very tired of reading the same self-help tips that never really seemed to apply to my life and always seem to be coming from some happy-go-lucky blogger whose life appears to be perfect. And so, this was born. A series of letters to you, full of all the crappiest, happiest and most confusing things that have happened to me over the years in the hope that you might learn something. If not, I’ve exposed myself and I’ll have to live with the embarrassment forever, but on the chance that anything I’ve learnt can make your days a little less crappy then it’s worth it.

MY TEENAGER'S GUIDE TO SURVIVING IN THE #REALWORLD Katrina Jaca-Boone,2021-10-08 If there is something you can give to your child or loved one when you are no longer close enough to give them a hug, what would it be? This book wishes to explore that. I believe in the amazing power of words. It has the power to unite people from all walks of life across different cultures and backgrounds. It does more than just brighten someone's day; it can also comfort a grieving man. It has the capacity to cut and heal at the same time. If someone had told you that you are more than enough and that you are worth it, would that have affected how you perceive the world? Would that have made you more compassionate and tolerant? Or indifferent, bitter, and impatient? It is easier to build strong children than it is to repair broken men (Unknown).

Mysticism in Newburyport Peter James Ford, 2022-10-05 "SHADOW RIDERS" is the third book in this seven-book series under the title "MYSTICISM IN NEWBURYPORT." It is the continuing unfolding story of just another soul's re-awakening in this lifetime to the truth of his divinity. After Peter's younger wild years growing up in Lynn, Massachusetts with heavy alcohol use and abusing all the drugs of the sixties, along with his love of riding motorcycles and physical training, he found himself crawling into the 12-step recovery program for alcoholics. Peter abused alcohol for seven years and he drank alcoholically right from his first drink. He used all the drugs of the sixties and combined both alcohol and drugs, which brought him to his knees at a very young age. He was to be involved in endless trouble with police, car and motorcycle crashes, high speed chases, arrests, and many broken bones. Peter's journey in the recovery program began with a spiritual awakening and he began his education about the spiritual principles and the ancient wisdom from the past. While Peter was living in the Newburyport area and reading ancient writings from meditation masters, Peter was to have a profound spiritual experience and his journey back to his true self really began. Through the grace of a mediation master, Peter's own inner spiritual energy (called kundalini) burst wide open and this energy flowed up his spine and chakras and caused incredible insights and experiences. It was later that Peter learned about 'Kundalini Yoga' and what had happened to him. Peter was to have profound experiences in long nights of meditation down by the Merrimac River and to have numerous past life experiences. To honor his spiritual awakening while in this historic seaport, he decided to use the name "MYSTICISM IN NEWBURYPORT" for the title. Peter's first book was introduced at the Miami International Book Fair as a modern-day version of the Herman Hesse classic novel "SIDDHARTHA." These tales are about all the great people from this time in

Peter's life and all the gifts and blessings that have flowed and continue to flow to this silly, Irish seeker. Peter hopes that his writings will be of some use to others or at least bring a smile to the reader's face, about the unique life of just another seeker. This book is dedicated to Barbara Eleanor Parton. She is in the below pictures on our bikes...

Reflections Peter James Ford, 2024-03-27 Peter James Ford, *The Unlikely Messenger*, is a unique individual with a broad understanding of life from having lived life from many lifestyles. Peter experienced the good, the bad, the ugly, and then an awakening and redemption. His younger years found him struggling with alcoholism and the drugs of the sixties, with having learning disabilities, including attention deficit disorder, and growing up in a violent environment. Peter turned to physical training and motorcycles and found much satisfaction in both. At an early age Peter crawled into the 12-step recovery program a broken man. This was the beginning of Peter's spiritual journey. Over the years, Peter attained the promises of the program and began living a great life. Many years later, Peter was initiated into a yogic path that had begun thousands of years ago by an ancient lineage of Masters. Peter did not realize that his profound spiritual experience at that time was actually a powerful "Kundalini Awakening" within him. Shortly after his awakening, these mystic tales of past lives and powerful wisdom truths began flowing. Peter has just completed his seventh book about his life adventures and spiritual journey. Peter hopes people find something useful in his writings, or at least that they will bring a smile to your face when thinking about Peter, this "Unlikely Messenger."
