Part social history, part detective story, part expose, *The Baby Thief* is a riveting investigative narrative that explores themes that continue to reverberate today.

The Baby Thief Barbara Bisantz Raymond, 2009-01-01 For almost three decades, Georgia Tann was lauded for her work at her children's home. But in reality she was selling many of her charges - often neglected, abused & stolen from their birth parents - to wealthy clients across America. This text shows how Tann not only popularised adoption, but also commercialised & corrupted it.

Before and After Judy Christie, Lisa Wingate, 2019-10-22 The compelling, poignant true stories of victims of a notorious adoption scandal—some of whom learned the truth from Lisa Wingate’s bestselling novel *Before We Were Yours* and were reunited with birth family members as a result of its wide reach From the 1920s to 1950, Georgia Tann ran a black-market baby business at the Tennessee Children’s Home Society in Memphis. She offered up more than 5,000 orphans tailored to the wish lists of eager parents—hiding the fact that many weren’t orphans at all, but stolen sons and daughters of poor families, desperate single mothers, and women told in maternity wards that their babies had died. The publication of Lisa Wingate’s novel *Before We Were Yours* brought new awareness of Tann’s lucrative career in child trafficking. Adoptees who knew little about their pasts gained insight into the startling facts behind their family histories. Encouraged by their contact with Wingate and award-winning journalist Judy Christie, who documented the stories of fifteen adoptees in this book, many determined Tann survivors set out to trace their roots and find their birth families. *Before and After* includes moving and sometimes shocking accounts of the ways in which adoptees were separated from their first families. Often raised as only children, many have joyfully reunited with siblings in the final decades of their lives. Christie and Wingate tell of first meetings that are all the sweeter and more intense for time missed and of families from very different social backgrounds reaching out to embrace better-late-than-never brothers, sisters, and cousins. In a poignant culmination of art meeting life, many of the long-silent victims of the tragically corrupt system return to Memphis with the authors to reclaim their stories at a Tennessee Children’s Home Society reunion . . . with extraordinary results. Advance praise for *Before and After* “In *Before and After*, authors Judy Christie and Lisa Wingate tackle the true stories behind Wingate’s blockbuster *Before We Were Yours*, of the orphans who survived the Tennessee Children’s Home Society. With a journalist’s keen eye and a novelist’s elegant prose, Christie and Wingate weave together the stories that inspired *Before We Were Yours* with the lives that were changed as a result of reading the novel. Readers will be educated, enlightened, and enraptured by this important and flawlessly executed book.”—Pam Jenoff, author of *The Orphan’s Tale* and *The Lost Girls of Paris*

Summary of Barbara Bisantz Raymond's *The Baby Thief* Milkyway Media, 2024-01-14 Get the Summary of Barbara Bisantz Raymond's *The Baby Thief* in 20 minutes. Please note: This is a summary & not the original book. *The Baby Thief* by Barbara Bisantz Raymond explores the dark history of Georgia Tann's adoption practices in Memphis. Tann, who ran the Tennessee Children's Home Society, was known for dressing children in fine clothes to make them more adoptable and was involved in the illegal sale of babies with the complicity of prominent Tennesseans. Her operation went unchallenged for 26 years until exposed as a baby seller. Tann's actions had lasting effects on the adoption institution and the lives of those affected, including siblings separated and sold to different families, and children who suffered from being taken from their

birth parents. The book recounts the stories of adoptees like Peggy and Elizabeth Huber, who faced identity crises, and Barbara Davidson, who suffered sexual abuse. Raymond's research uncovers the far-reaching impact of Tann, with adoptees and their relatives across the United States searching for answers. The book also delves into the history of child care and the evolution of adoption practices, highlighting the societal shift towards secrecy in adoptions influenced by Tann's legacy. Raymond's personal connection to adoption as an adoptive parent herself adds depth to her investigation into Tann's corrupt practices and the ongoing battle for adoptees' rights to their identities.

Before We Were Yours (Thorndike Press Large Print Core Series). Lisa Wingate,

WHAT EVER HAPPENED TO BABY JAMES? DON W. BOEHNER, 2014-04-04 It's 3am on a hot September morning in 1949. A dark sedan pulls to the rear of a home known as an unwed mothers' birthing clinic in Jasper, Tennessee. The small, quiet package is slipped past the screen door and slipped away in the dead of night never to be seen again. It is a scenario replayed over and over in the 1940's by the infamous Tennessee Children's Home Society and Ms. Georgia Tann, its unholy matron. Stolen after birth, my mother was told I was dead. I was sold for \$5,000.00 to my adoptive parents in Southern California. Children ripped off the streets and playgrounds, or simply removed from their home under color of authority, the Tennessee Children's Home Society stretched their tentacles throughout Tennessee as the Black Market Baby scam grew to unimaginable proportions. Doctors, nurses, lawyers, judges, social workers, welfare workers, and others joined on Tann's payroll. Never daring to ask the question as to where all the children came from. Over 5,000 children were illegally placed for adoption during Georgia Tann's reign. My agency-assigned number was 7,702. This is the story of James Arnold Bowman, my birth name given by my mother Flossie, and my life as an adoptee. After being told I was adopted at age 7, it became a life of questions unanswered until I was 60 years old. My adoptive parents elected to keep the details of my adoption a secret, never admitting they knew who I was, and the names of my parents. An accidental discovery in 2008 would reveal the secrets

kept for so long, and begin my search for my birth family. Search for my true families would take over 5 years of genealogical studies, correspondence, and ending with DNA testing to finally determine my true origin. The Reader will be the investigator, following the trail of evidence presented in the suspect's own words contained in personal and business letters, and state forms filed in California and Tennessee, from ill-documented birth in May 1949 through sanction of the California adoption in 1953. You will also receive an insight as to what it is like to be an adopted child and labeled as not being "blood relation". It's a journey you don't want to miss.

No Mama, I Didn't Die Devereaux Bruch, 2015-10-11 Adoption is an honorable act, but it can be heart wrenching when the infant is surrendered under coercion or false pretenses. For the adopted parents, adoption creates instant parenthood;

for the birth parents, it takes enormous courage and love to surrender a baby. Birth mothers often suffer pangs of guilt and sadness as the years tick by. They imagine how their relinquished child is faring . . . This is the story of an adoption in the Deep South of a baby girl, just under five pounds, who was stolen from her mother eight hours after birth. Prior to the Great Depression, from 1925 and through to 1950, a woman named Georgia Tann operated the Tennessee Children's Home Society in Memphis. She began her career by legitimately placing babies in adoptive home in Tennessee for a fee of \$7.50. Quite soon, however, she realized she could ship babies on a night flight with a nurse to affluent families all over the country. She cared only about their ability to pay, not if they were suitable parents. Her fees ranged from \$1,500 to \$2,000 per baby, plus expenses. During this period, the average annual income in the United States was just \$1,200 - \$2,000. Georgia Tann's modus operandi was to shelter unwed, pregnant girls to seek out babies of the poor and promise their families care and schooling. While women were in the throes of childbirth and under sedation, Georgia Tann would have them sign surrender papers. These new mothers thought they were signing permission for her to care for the baby until they could do so themselves, but they were later told their babies had died or were stillborn. Georgia Tann was able to continue this criminal operation with the protection and help of city officials, judges, police, etc., to whom she gave kickbacks. She accumulated great wealth, but purporting herself as 'just average', lunching daily from a paper bag at her desk. During Georgia Tann's tenure, she placed over 5,000 babies, most illegally. To the parents who chose to adopt me, my heart is full of gratitude for the wonderful life I was given.

The Complete Story: No Mama, I Didn't Die Devereaux Eyler, 2017-05-17 This is the complete story, a new edition of *No Mama, I Didn't Die*. I am Devy Bruch, born Nell Howell in Tennessee, 1937. As an infant, I was stolen from my mother, Lena Mae Howell, just eight hours after she gave birth. I was then sold to a wealthy family through an illegal 'adoption' by Georgia Tann and the Tennessee Children's Home Society. Lena Mae was a very young woman at the time and was told she had given birth to a boy, who had died during delivery. My mother never saw me, nor held me. Many decades later, she went to her grave still suspecting that her baby may have survived. She had heard me cry. She knew in her heart that I could be alive, but she had nowhere to turn. One cold December day, just before Christmas, a chauffeur driven limousine with a nurse and Georgia Tann delivered me to my new home. The year was 1937 and I was a sickly, five-pound weakling, six weeks of age. I had been delivered to my adoptive parents totally sight unseen, until that knock on the door - Here is your baby. The years between my illegal adoption and finding my true origins were many faceted, as one climbing up a totem pole, falling down and getting back up to the top over and over and over again. At 71 years of age, I learned the truth of my life. I learned about my natural mother, Lena Mae Howell and my natural father, Gaston Gann. I learned I had 2 sisters and a brother (deceased) and a real, caring, loving family. Nothing in my life has affected me so deeply. It has turned my life around. I now realize that I spent many years craving a big family. I always opened up my home to everyone, and provided a warm, cozy place for people to enjoy good food and drink. This was my way of creating family. I reached out to my confidants, my friends, and invited them into my heart, but all in their own way, drifted apart from me. The feat of abandonment was present in my life, but no more. The Howells of Tennessee are my people, my blood, my family. The love they have given me and the knowledge that we are one has brought me a joy and fulfillment I never imagined was possible. There is no denying my roots; the resemblance to them is unmistakable.

Paperback - the BOOK of LOST FRIENDS James Rogers, 2020-10-14 This book focuses on one of the most evil women in American History and what she put countless children through. I am speaking of Georgia Tann, who ran illegal orphanages in Tennessee from the 1930s to 1950. This woman would steal children from poor families, change their names, and adopt them out to prestigious families. The author does an excellent job of writing a historical fiction book about Georgia Tann, and having it be told through the eyes of the children that she abducted. We follow the lives of 5 children who grow up on a shanty on the Mississippi River. They did not have money, but their family had love. That would all end when Georgia Tann

sends the police to take the children and bring them to her. You will not believe the horrors that happen inside of the orphanage. It is hard to believe that the children survived at all. This book does justice to all of the children that died while under Ms. Tann's care. It gives them a voice.

No Mama, I Didn't Die Devereaux R. Bruch, 2010-11 Devy Bruch, adopted in the late 1930s from the infamous Tennessee Children's Home Society, has lived a life of both privilege and despair. She searched for her biological family for the first seven decades of her life. In 1937, as an infant, she was stolen from her mother by the infamous Georgia Tann, bundled up, and sold to a wealthy couple from Pennsylvania. In her youth, Devy attended exclusive private schools, spent weekends at the Naval Academy, and experienced a debutante season befitting a fine upbringing. Then, as a young woman, she was plunged into deep despair when her husband left her with four young children and no income. She survived through her inner strength, determination, and spirituality. At the age of seventy-one, Devy made the decision to investigate her adoption and found that she had a sister that destiny had denied her for decades. She learned of the heinous truth of her origins—that of a small, sickly baby stolen from her birth mother and sold for profit during the depression. Now life has brought her full circle to enjoy both her own family and the birth family she finally discovered late in life.

Summary of Barbara Bisantz Raymond's The Baby Thief Everest Media, 2022-07-24T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The Memphis orphanage I visited was very different from the one in Georgia's story. It was long gone, replaced by a rectangular structure housing the offices of the Baptist Brotherhood. #2 It was difficult for adoptive parents to admit involvement with a criminal, and few did. Many claimed they were unaware of the desperate, futile habeas corpus suits that were reported in the local press, and of Georgia's Home's expulsion from the Child Welfare League of America. #3 Georgia had transformed potential adversaries into accomplices, including politicians, legislators, judges, attorneys, doctors, nurses, and social workers who scouted child victims and wrongly terminated birth parents' rights. #4 The story of Georgia's Home and the stolen children was largely ignored by the press. The parents of the stolen children were lucky to have been delivered into wealth, and many were emotionally attached to their new parents. But few protested this treatment.
