

Grown Up Christmas List Kelly Clarkson Lyrics

Cynthia A. Stevens,Nicole Walstrum

All Things New 2017 - 2018 Wayne Fowler,2019-05-29 America and Western Civilization seem lost in the high weeds of a post-truth world. What is real and true is far less important than how you feel about it. We don't see ourselves as fellow travelers on the road to knowledge and understanding. Instead we are shouting loudly at each other because if your truth claim differs from mine, you have no right to be heard. So it seems. This collection of succinct articles originally written for newspaper publication is an effort to offer thoughtful topics on faith and culture in a quieter tone. At less than 500 words each, the goal is to inform, educate, challenge, inspire, and motivate the reader. The subjects vary from theology, current events, history, politics, philosophy, arts, and literature, a tall order for short essays!

Take a Chance on Me Dawnlyn Holman,2022-03-30 Dorian Phillips and Madison Shaye grew up in the same town, but their paths never crossed...until now. Madison is leary of love. After witnessing her parents' tumultuous relationship, she thinks avoiding men will help her avoid heartbreak. No matter how her friends encourage her, she's determined to focus on school and leave dating to everyone else. Dorian is trying to juggle a life filled with changes. While dealing with a break up and quitting his job, his life is further complicated by his parents' checkered pasts. A chance meeting with a beautiful redhead was a curveball he didn't expect. When their two worlds collide at a mutual friend's wedding, will they find strength in each other or continue dealing with their problems alone?
