JIN SHIN JYUTSU For Your Animal Companions Adele Leas, 2015-04-22 Learn the basic techniques of the ancient Art of Jin Shin Jyutsu for use on animal companions to promote healing, health and harmony of body, mind and spirit. The book is based on Mary Burmeister's Jin Shin Jyutsu Self Help books 1 and 2, which are said to contain the essence of this Art of the Creator through Compassionate Man. Includes step by step directions and color illustrations, showing the adaptations needed to easily work with different size species including: dogs, horses, cats, birds, rabbits, and hamsters. The pages are clear and accessible, with hands showing the location of each step. Flows are adapted as needed based on the relationship of the Safety Energy Locks (building blocks of the body) in different species, as well as attitudinal and physical differences needed to be able to work with domesticated animals.

Jin Shin Healing Touch Tina Stümpfig, 2020-05-26 A full-color, step-by-step guide to the simple two-point touch method of Jin Shin Jyutsu for quick relief from many common conditions and injuries • Details the 52 energy points of Jin Shin Jyutsu, called Safety Energy Locks (SELs), where energy is most likely to become blocked along the body's energy pathways and where it is also most easily released • Explains the sequence of points to hold and the appropriate finger mudras (positions) to address specific ailments, conditions, and injuries as well as stimulate the body's self-healing response and harmonize energy flow • Includes concise yet detailed instructions and clear illustrations of the energy points and sequences A gentle self-help method for harmonizing energy flow, strengthening the immune system, and stimulating the body's self-healing response, Jin Shin Jyutsu is an ancient Japanese healing art akin to an easier form of acupressure. The system centers on the 52 Safety Energy Locks (SELs) of the body's energy pathways, points where energy tends to become stuck easily and thus can also be released easily, usually by holding just two energy points simultaneously. In this full-color guide to Jin Shin Jyutsu, complete with detailed step-by-step illustrations, experienced practitioner Tina Stümpfig explains how to hold the SEL points in easy sequences to address specific ailments, conditions, and injuries. She also details a variety of finger mudras (finger holds) that can serve as shortcuts for bringing awareness to and alleviating a number of issues, such as anxiety, insomnia, digestive problems, and back pains. The author describes the major overarching energy flows of the body and shows how, when a pathway becomes blocked, the energy ceases to flow freely and stagnates. Initially the channel is only blocked locally, though in the long run a blockage creates imbalance along the entire energy pathway and can thus affect the

whole body. Using Jin Shin Jyutsu to work with the SELs allows you to quickly and easily release these energetic blockages, both acute or chronic. The polarity of the energy flow in our hands--energy flowing out on the right, flowing in on the left--functions like a starter cable that reestablishes broken energy links. At the same time, conscious breathing allows us to deepen our cosmic awareness and understanding of issues connected to the SELs on the inner level. Whether you are facing allergies, exhaustion, pain, or inflammation, the healing touch of Jin Shin Jyutsu offers a simple self-help tool that can quickly alleviate and soothe symptoms, kickstart the healing process, and improve overall health.

Pain Is Not What It Seems Anita Hunt Hickey, 2019-07-23 Pain is Not What it Seems contains a treasure trove of scientific references supporting an astonishingly simple and transformative path to healing and well-being. While conventional Western medicine tends to treat the body and mind as separate entities, scientific evidence proves that physical, spiritual, and psychological aspects of self can affect one another on a profound level. Pain Is Not What It Seems explains the science that tells us that only when these deeper spiritual and emotional issues are addressed can true healing from suffering and pain begin. After thirty years treating military and civilian patients with chronic and acute pain and associated disorders, Dr. Hickey has shared profound wisdom and insights of the “secrets” behind how to heal from intractable complex pain, which—although published in scientific journals and books—is not taught to most doctors nor found in standard wellness curriculums. Her astonishingly simple and transformative program provides an easy-to-follow path to healing from suffering and pain that reaffirms what those suffering realize intrinsically: they are a whole person and need to be treated as such.
