

# Scholomance Blood Of Innocents

## LM Reder

**Blood of the Dragon** David T. Pudlevitz, 2003-11 A team of archaeologists digging in present day Romania uncover a mass execution ground. They have unexpectedly also unearthed the executioner himself, Prince Vlad Dracula! The King of the Undead has been waiting for hundreds of years to resurrect himself in a bid for world domination. In the meantime he forces Doctors Peter Ralston, and Louise Johnston to transcribe his awesome memoirs. In this book, penned by his own dead hand, Dracula describes his monstrous birth, life and rise to power and finally the dark forces which caused him to become the world's most powerful vampire! He describes a world of evil rituals and necromancy that is beyond the rules and laws that govern mankind. He is an inhuman monster who lusts after only immortality and power! This is the Dracula that Bram Stoker shocked the world with! Once again, Dracula has risen from his grave to cast a shadow of evil over the world.
