

The Miracle Worker

Kim E. Nielsen

The Miracle Worker William Gibson, 2008-06-17 NO ONE COULD REACH HER Twelve-year-old Helen Keller lived in a prison of silence and darkness. Born deaf, blind, and mute, with no way to express herself or comprehend those around her, she flew into primal rages against anyone who tried to help her, fighting tooth and nail with a strength born of furious, unknowing desperation. Then Annie Sullivan came. Half-blind herself, but possessing an almost fanatical determination, she would begin a frightening and incredibly moving struggle to tame the wild girl no one could reach, and bring Helen into the world at last....

The Miracle Worker's Handbook Sara Loos, 2015-10-02 There is no question that life can be challenging. It is hard not to spend our days dreaming about what could be possible without all the negative experiences, people, and stories weighing us down, craving a connection to God or Spirit or the Universe, and determining how to wipe the slate clean and start again, creating the exceptional life we all know we deserve. Sara Loos relies on her professional background as a spiritual teacher as well as experiences gathered from her personal transformational journey to share twenty-two proven healing tools that when put into practice will open the door to real change, progress, healing, and enlightenment for anyone desiring to live a life filled with joy, trust, and love. While providing step-by-step guidance on how to unleash the magic within ourselves to become miracle workers in our own lives, Loos offers direction on how to own the truth, tame an ego, embrace the inner child, extinguish anger, be a change agent, and ultimately reconnect with one's deeper, purer self to experience life from a new perspective. The Miracle Workers Handbook shares an inspiring collection of tools for those ready to embark on a self-reflective journey to understand their own power and capacity for change, and transform their lives for the better.

Miracle Worker and the Transcendentalist David Wagner, 2015-11-17 Helen Keller and her teacher, Annie Sullivan, remain two of the best-known American women. But few people know how Sullivan came to her role as teacher of the deaf and blind Keller. Contrasting their lives with Franklin Benjamin Sanborn, the era's prominent abolitionist, this book sheds light on the gender and disability expectations that affected the public perception of Sullivan and Keller. This book provides a fascinating insight into class, ethnicity, gender, and disability issues in the Gilded Age and Progressive-Era America.

Christ the Miracle Worker in Early Christian Art Lee M. Jefferson, 2014-01-01 Artistic representations were of significant value to early Christian communities. In *Christ the Miracle Worker in Early Christian Art*, Lee Jefferson argues that images provided visual representations of vital religious and theological truths crucial to the faithful and projected concepts beyond the limitations of the written and spoken word. Images of Christ performing miracles or healings functioned as advertisements for Christianity and illustrated the nature of Christ. Using these images of Christ, Jefferson examines the power of art, its role in fostering devotion, and the deep connection between art and its elucidation of pivotal theological claims.
