The Beatles Lyrics Hunter Davies,2025-05-01 Rich with insider authenticity...Gives us a glimpse into genius: the definitive book of Beatles songs, shown as first written by their own hands and put into authoritative context ( Wall Street Journal). For the Beatles, writing songs was a process that could happen anytime — songs we all know by heart often began as a scribble on the back of an envelope or on hotel stationery. These original documents have ended up scattered across the world at museums and universities and with collectors and friends. Many have never been published before. More than 100 songs and lyrics are reproduced in The Beatles Lyrics, providing Hunter Davies a unique platform to tell the story of the music. The intimacy of these reproductions — there are sections crossed out and rewritten, and words tossed into the final recordings that were never written down — ensures that The Beatles Lyrics will be a treasure for musicians, scholars, and fans everywhere. A fascinating, intimate glimpse into the creative process behind some of the greatest pop songs ever written. — Christian Science Monitor

**Summer Bird Blue** Akemi Dawn Bowman, 2020-03-10 “A lyrical novel about grief, love, and finding oneself in the wake of a tragic loss.” —Bustle “Gorgeous prose and heartbreaking storytelling.” —Paste Magazine “Grabs your heart and won’t let go.” —Book Riot A Kirkus Reviews Best Book of the Year Three starred reviews for this stunning novel about a mixed-race teen who struggles to find her way back to her love of music in the wake of her sister’s death, from the author of the William C. Morris Award finalist *Starfish*. Rumi Seto spends a lot of time worrying she doesn’t have the answers to everything. What to eat, where to go, whom to love. But there is one thing she is absolutely sure of—she wants to spend the rest of her life writing music with her younger sister, Lea. Then Lea dies in a car accident, and her mother sends her away to live with her aunt in Hawaii while she deals with her own grief. Now thousands of miles from home, Rumi struggles to navigate the loss of her sister, being abandoned by her mother, and the absence of music in her life. With the help of the “boys next door”—a teenage surfer named Kai, who smiles too much and doesn’t take anything seriously, and an eighty-year-old named George Watanabe, who succumbed to his own grief years ago—Rumi attempts to find her way back to her music, to write the song she and Lea never had the chance to finish. Aching, powerful, and unflinchingly honest, *Summer Bird Blue* explores big truths about insurmountable grief, unconditional love, and how to forgive even when it feels impossible.

Music and Cosmopolitanism Cristina Magaldi, 2024 In *Music and Cosmopolitanism*, Cristina Magaldi examines music making in a past globalized world. This volume focuses on one city, Rio de Janeiro, and how it became part of a larger world through music and performance. Magaldi describes a process of creating connections beyond national borders, one that is familiar to contemporary city residents, but which was already dominant at the turn of the 20th century, as new technological developments led to alternative ways of making and experiencing music.

**The Peppers, Cracklings, and Knots of Wool Cookbook** Diane M. Spivey, 2000-09-07 A groundbreaking treatment of heritage survival in African and African American cooking.

The Grammar of Rock Alexander Theroux, 2013-02-16 Novelist and critic Alexander Theroux analyzes the pop song. National Book Award nominee, critic and one of America’s least compromising satirists, Alexander Theroux takes a comprehensive look at the colorful language of pop lyrics and the realm of rock music in general in *The Grammar of Rock*: silly song titles; maddening instrumentals; shrieking divas; clunker lines; the worst (and best) songs ever written; geniuses of the art; movie stars who should never have raised their voice in song but who were too shameless to refuse a mic; and the excesses of awful Christmas recordings. Praising (and critiquing) the gems of lyricists both highbrow and low, Theroux does due reverence to classic word-masters like Ira Gershwin, Jimmy Van Heusen, Cole Porter, and Sammy Cahn, lyricists as diverse as Hank Williams, Buck Ram, the Moody Blues, and Randy Newman, Dylan and the Beatles, of course, and more outré ones like the Sex Pistols, the Clash, Patti Smith, the Fall (even Ghostface Killa), but he considers stupid rhymes, as well — nonsense lyrics, chop logic, the uses and abuses of irony, country music macho, verbal howlers, how voices sound alike

and why, and much more. In a way that no one else has ever done, with his usual encyclopedic insights into the state of the modern lyric, Theroux focuses on the state of language — the power of words and the nature of syntax — in *The Grammar of Rock*. He analyzes its assaults on listeners' impulses by investigating singers' styles, pondering illogical lunacies in lyrics, and deconstructing the nature of diction and presentation in the language. This is that rare book of discernment and probing wit (and not exclusively one that is a critical defense of quality) that positively evaluates the very nature of a pop song, and why one over another has an effect on the listener.

Not Since Carrie Ken Mandelbaum, 1992-08-15 This book surveys Broadway's biggest flops, highlighting almost 200 musicals created between 1950 and 1990. Framed around the notorious musical adaptation of *Carrie*, this book examines the reasons for their failure.

*Brazilian National Cinema* Lisa Shaw, Stephanie Dennison, 2014-05-01 Brazilian cinema is one of the most influential national cinemas in Latin America and this wide-ranging study traces the evolution of Brazilian film from the silent era to the present day, including detailed studies of more recent international box-office hits, such as *Central Station* (1998) and *City of God* (2002). *Brazilian National Cinema* gives due importance to traditionally overlooked aspects of Brazilian cinema, such as popular genres, ranging from musical comedies (the *chanchada*) to soft-core porn films (the *pornochanchada*) and horror films, and also provides a fresh approach to the internationally acclaimed avant-garde *Cinema Novo* of the 1960s. Lisa Shaw and Stephanie Dennison apply recent theories on stardom, particularly relating to issues of ethnicity, race and gender, to both well-known Brazilian performers, such as Carmen Miranda and Sonia Braga, and lesser known domestic icons, such as the Afro-Brazilian comic actor, Grande Otelo (Big Othello), and the uberblonde children's TV and film star, and media mogul, Xuxa. This timely addition to the National Cinemas series provides a comprehensive overview of the relationship between Brazilian cinema and issues of national and cultural identity.

*Funky Nassau* Timothy Rommen, 2011-05-19 This book examines the role music has played in the formation of the political and national identity of the Bahamas. Timothy Rommen analyzes Bahamian musical life as it has been influenced and shaped by the islands' location between the United States and the rest of the Caribbean; tourism; and Bahamian colonial and postcolonial history. Focusing on popular music in the second half of the twentieth and early twenty-first centuries, in particular rake-n-scrape and Junkanoo, Rommen finds a Bahamian music that has remained culturally rooted in the local even as it has undergone major transformations. Highlighting the ways entertainers have represented themselves to Bahamians and to tourists, *Funky Nassau* illustrates the shifting terrain that musicians navigated during the rapid growth of tourism and in the aftermath of independence.

**Louis Prima** Garry Boulard, 2002 This is the first paperback edition of the only biography of Louis Prima, one of the most

underrated jazz musicians and entertainers of the twentieth century. In a career that spanned four decades, Prima infused the grit and grace of Dixieland jazz with swing and big band sounds, the first whiffs of rock 'n' roll, and a vaudevillian-like stage presence. A native of New Orleans, the Guy Lombardo protégé known as The Italian Satchmo was the country's smashing new jazz sensation at New York's Famous Door in the 1930s. He went on to be a successful big band leader and a Vegas nightclub staple, and he virtually created the concept of the lounge act. Despite his longstanding success, Prima's over-the-top on-stage antics induced critics to not take him seriously and he was relegated to the status of mere entertainer. Married five times and involved with numerous women in between, Prima has more often been remembered for his colorful relationships and quirky personality than for his abilities as a trumpeter and singer. After his death in 1978, his music gradually disappeared and jazz scholars rarely mentioned his name. Nudging Prima's legacy into the limelight the musician deserved, Garry Boulard nimbly explores Prima's ability to maintain a lifelong career, his knack for self-promotion, and how the cities in which he lived and performed--New York, Los Angeles, and Las Vegas--uniquely and indelibly informed his style. In a new preface, the author considers how the resurgence of big band and swing music in the late 1990s catapulted Prima and his music back into the public eye.

**"Record It, and Let it be Known"** Christopher F. Laferl, 2005 Popular music from Brazil and the Caribbean belongs to those cultural practices that are considered, both inside and outside of their countries of origin, to bear the indelible marks of ethnicity. On the basis of a corpus made up of over one thousand songs recorded between 1920 and 1960 in Brazil, Cuba, Martinique, and Trinidad and Tobago, *Record it, and let it be known* offers an exemplary textual analysis of the ways in which these countries' main musical genres staged the encounters of the identity categories of ethnicity and gender in song lyrics during the decades preceding the emergence of more ideologically conscious musical currents. Special attention is paid to the following topics: the relations between ethnicity and national identity; the presence of Africa and slavery; the presentation of the gendered and ethnically marked body; and, finally, the description of cultural blackness. Book jacket.

Song and Silence Sara Leila Margaret Davis, 2005 In the Sipsongpanna region of China, tourists watch festive displays of Tai Lüe folk song and dance. The Tai Lües are viewed by the Chinese government as a 'model minority'. Sara Davis describes how Tai Lües are reviving and reinventing their culture in ways that contest the official state version.

**The Cinema of Latin America** Alberto Elena, Marina Díaz López, 2004-03-24 The Cinema of Latin America is the first volume in the new 24 Frames series of studies of national and regional cinema. In taking an explicitly text-centered approach, the books in this series offer a unique way of considering the particular concerns, styles and modes of representation of numerous national cinemas around the world. This volume focuses on the vibrant practices that make up Latin American cinema, a historically important regional cinema and one that is increasingly returning to popular and academic appreciation. Through 24 individual concise and insightful essays that each consider one significant film or

documentary, the editors of this volume have compiled a unique introduction to the cinematic output of countries as diverse as Brazil, Argentina, Cuba, Mexico, Bolivia, Chile and Venezuela. The work of directors such as Luis Buñuel, Thomas Guitierrez Alea, Walter Salles, and Alfonso Arau is discussed and the collection includes in-depth studies of seminal works as such *Los Olvidados*, *The Hour of the Furnaces*, *Like Water For Chocolate*, *Foreign Land*, and *Amoros Perros*.

**The Complete Book of 1990s Broadway Musicals** Dan Dietz, 2016-09-29 Musicals of the 1990s felt the impact of key developments that forever changed the landscape of Broadway. While the onslaught of British imports slowed down, the so-called Disneyfication of Broadway began, a trend that continues today. *Beauty and the Beast* and *The Lion King* became long-running hits, followed by more family-friendly musicals. The decade was also distinguished by a new look at revivals—instead of slavishly reproducing old shows or updating them with campy values, Broadway saw a stream of fresh and sometimes provocative reinventions, including major productions of *My Fair Lady*, *Damn Yankees*, *Carousel*, *Show Boat*, and *Chicago*. In *The Complete Book of 1990s Broadway Musicals*, Dan Dietz examines in detail every musical that opened on Broadway during the 1990s. This book discusses the era's major hits (*Miss Saigon*, *Crazy for You*, *Rent*), notorious flops (*Shogun*, *Nick & Nora*, *The Red Shoes*), controversial shows (*Passion*, *The Capeman*), and musicals that closed during their pre-Broadway tryouts (*Annie 2: Miss Hannigan's Revenge*, *Whistle Down the Wind*). In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal-appearance revues with such performers as Sandra Bernhard, Michael Feinstein, Patti LuPone, Liza Minnelli, and Mandy Patinkin. Each entry contains the following information: Plot summary Cast members Names of all important personnel, including writers, composers, directors, choreographers, producers, and musical directors Opening and closing dates Number of performances Critical commentary Musical numbers and the performers who introduced the songs Production data, including information about tryouts Source material Tony awards and nominations Details about London and other foreign productions Besides separate entries for each production, the book offers numerous appendixes, including a discography, filmography, and published scripts, as well as lists of Gilbert and Sullivan operettas, black-themed shows, and Jewish-themed productions. A treasure trove of information, *The Complete Book of 1990s Broadway Musicals* provides a comprehensive view of each show. This significant resource will be of use to scholars, historians, and casual fans of one of the greatest decades in musical theatre history.

**'Intoxicating Shanghai' - An Urban Montage** Paul Bevan, 2020-04-14 In *Intoxicating Shanghai*, Paul Bevan explores the work of a number of Chinese modernist figures in the fields of literature and the visual arts, with an emphasis on the literary group the New-sensationists and its equivalents in the Shanghai art world, examining the work of these figures as it appeared in pictorial magazines. It undertakes a detailed examination into the significance of the pictorial magazine as a medium for the dissemination of literature and art during the 1930s. The research locates the work of these artists and writers within the context of wider literary and art production in Shanghai, focusing on art, literature, cinema, music, and

dance hall culture, with a specific emphasis on 1934 - 'The Year of the Magazine'.
