We Who Wrestle with God Jordan B. Peterson, 2024-11-19 A revolutionary new offering from Dr. Jordan B. Peterson, renowned psychologist and author of the global bestseller 12 Rules for Life. In *We Who Wrestle with God*, Dr. Peterson guides us through the ancient, foundational stories of the Western world. In riveting detail, he analyzes the Biblical accounts of rebellion, sacrifice, suffering, and triumph that stabilize, inspire, and unite us culturally and psychologically. Adam and Eve and the eternal fall of mankind; the resentful and ultimately murderous war of Cain and Abel; the cataclysmic flood of Noah; the spectacular collapse of the Tower of Babel; Abraham's terrible adventure; and the epic of Moses and the Israelites. What could such stories possibly mean? What force wrote and assembled them over the long centuries? How did they bring our spirits and the world together, and point us in the same direction? It is time for us to understand such things, scientifically and spiritually; to become conscious of the structure of our souls and our societies; and to see ourselves and others as if for the first time. Join Elijah as he discovers the Voice of God in the dictates of his own conscience and Jonah confronting hell itself in the belly of the whale because he failed to listen and act. Set yourself straight in intent, aim, and purpose as you begin to more deeply understand the structure of your society and your soul. Journey with Dr. Peterson through the greatest stories ever told. Dare to wrestle with God.

**Satan and God's Armor** Robert B. Callahan Sr.,2013-05-29 The Apostle Paul leaves no stone unturned as he encourages, enlightens, and informs the Ephesian believers (and us) regarding their duties and responsibilities as Christ's followers. Yes, there are duties and responsibilities for professing Christians, just as there are duties and responsibilities in every phase of life whether it be as children/parents; employee/employer; student/teacher; or whatever field of endeavor one may pursue. The apostle is addressing those who believe in the Lord Jesus Christ and seek to follow Him, which as Paul knows is not easy. Therefore, in this portion of Scripture he stresses certain truths that will strengthen each and every Christian as they journey through life. The elements may sound simple to learn, but they are difficult to practice day in and day out. What are they? Obedience, discipline, priorities, knowing your heavenly Father (not just knowing about Him), being strong disciples in the faith, and separating ourselves. Developing these traits requires a commitment to adhere to Christ's teachings and commands. Paul then switches our attention from what we are to do as Christ's followers and states emphatically that we are to be strong in the Lord, and in the power of his might. Put on the whole armor of God, that ye may be able to stand against the wiles [schemes] of the devil (Eph 6:1-11). Paul states unequivocally that we are to prepare to wrestle this implacable foe, since we belong to Christ and are His followers. He describes Satan, his evil characteristics and malevolent intentions. Christ recognized him for what he is. Should we do less? Unfortunately, in today's world we ignore him and fail to realize the harm he inflicts on ourselves and others. Paul concludes this portion of Scripture on a high note. He urges us to be properly prepared; to recognize heresies; to watch and pray; to know the difference between false and true teachings; and to know the Lord Jesus Christ and what He experienced during His earthly ministry.

The Ascent to God Thomas P. Kuffel,Nancy Carol James,2022-03-25 Called as pope, St. John Paul II emerged onto St. Peter's balcony proclaiming, Do not be afraid! What theology and mystery inspired this surprising proclamation? John Paul

II's quest for holiness was grounded in the mystical insight that we participate in God. We seek the Beatific Vision, the Face of God, through which we are transformed in theosis or divinization. This infusion of grace perfects and unites us. In this book readers will find engaging theology intermixed with spiritual direction and lectio divina meditations. Utilizing Aquinas' method of scriptural interpretation, we are offered ways of seeking spiritual fulfillment to behold the Beatific Vision. Fr. Tom Kuffel shares personal experiences from his time studying and working in Rome, Nebraska, and Alaska. Reflecting on his own priesthood, his fascinating narratives encourage our own spiritual growth. Readers find fresh ways of engaging Scripture through St. John Paul II's New Pentecost, encouraging new interpretations of Vatican II.

We Have Heard That God Is with You Rein Bos,2008-08-20 A perfect tool for busy preachers who want to faithfully proclaim God's Word The preparation of sermons on Old Testament texts confronts preachers time and time again with such questions as How can I connect an Old Testament text with the situation of my congregation today in a responsible way? and What is the role of Jesus in that connection? In this practical, scholarly guidebook Rein Bos tackles such questions and offers thoughtful answers. We Have Heard That God Is with You gives pastors a creative and innovative grammar to preach the Old Testament in a Christian context. Bos offers multiple examples from American sermons to illustrate how his model can be used in sermon preparation and how it can serve the practice of preaching. Each chapter is a rich meal for the busy preacher looking for creative, relevant options for sermons that are faithful to Scripture.

*Tired of Trying* Ashley Morgan Jackson,2023-08-01 What if that hard thing you're going through is not happening to you but for you? You've tried it all—saying the right words and prayers, reading the right Bible verses—but nothing seems to work. What do you do when your faith doesn't seem to be "working" anymore? Ashley Morgan Jackson is no stranger to this kind of spiritual exhaustion and discouragement. Much like the biblical character Jacob, Ashley wrestled with God, trying desperately to keep trusting Him despite her pain. It was here she found that sometimes God requires us to hold on to Him so

we can let go of everything holding us back. Rich with biblical encouragement, personal story, and practical application, *Tired of Trying* is an invitation to wrestle—and face God in your greatest fears, pains, and unanswered questions. You'll learn to: break out of the cycle of frustration by saying yes to wrestling; identify the lies you are believing about God, yourself, and your circumstances and replace them with truth; shift your perspective so you can choose faith, persevere, and discover God's purpose for you. Choosing to wrestle isn't easy or quick—but it does have purpose. What seemingly tears us down may be an opportunity to grow. God is good at redeeming heartache. When we reach the place where the only choice is to run to God or run from Him, we can hold tight . . . because transformation and blessing will come.
