50 Shades of Black and White Selena Sarns, 2012-10-01 This book is not part of the 50 Shades of Gray series but is a Bible-based response and devotional book from a Christian perspective. E.L. James trilogy 50 Shades of Gray has sold over 40 million copies. And though wildly popular with Christian readers, the content of the book can be damaging to our view of sex and our relationship with God. This book is not anti-sex. Let's be honest. Sex is good. Sometimes it's even great. It feels good and is the most intimate and expressive way of connecting between a man and a woman. But because it is also one of the least talked about subjects in church, we can view it as a subject that isn't relevant to God or our faith. This book is a Christian response to the best-selling 50 Shades of Grey in an easy to read, 50 day devotional format. These Bible-based readings will help you delve more deeply into what God's Word says about sex, our lives, and our faith in God.

Fifty Shades of Grace Shauna Marie Hyde, 2013-04-25 Fifty Shades of Grace provides a scriptural look at what the Bible says about relationships. Too often in the education of relationships, abusive and unhealthy relationships if discussed are not done so with enough depth. This book will compare what society tells us, in the form of entertainment and media, with what God tells us in the Bible about what healthy and loving relationships are. It will explore what abuse is and why many of us are in abusive relationships and what we can do about it. I hope this book helps people not to fall into the trap of harmful relationships. - Rev. Shauna Hyde, author.

Fifty Shades of Grace Freeman-Smith, 2012-10-09 The phenomenal success of the Fifty Shades series has caught the publishing world and reading public by storm. The Christian community has found the book to be nothing short of written word pornography. Freeman-Smith Publishing uses the similarity of a title to show that God's Grace is not only a better read but comes in a variety of circumstances and experiences.
