

Gentle Art Of Verbal Self Defense

Suzette Haden Elgin

The Gentle Art of Verbal Self-defense Suzette Haden Elgin, 1980 Don't turn the other cheek and fume quietly; know what to say when someone throws out the snide backhanded compliment, subtle insult, cruel criticism, or outright verbal blow. Inside these pages is an arsenal of tools for fending off that attack and neutralizing the harm spiteful words inflict. Learn to identify modes of verbal assault, such as laying blame, and to recognize when someone is about to launch a linguistic strike and the motivation behind it. Sample scripts prevent you from getting tongue-tied, and a progress journal helps you use voice and body language for maximum effect. Find out how to handle the eight most common types of verbal violence, and redirect and defuse potential verbal confrontations so skillfully that they rarely happen. Special suggestions are included for college students, men, and women, and for handling emergency situations such as an angry crowd.

Success with the Gentle Art of Verbal Self-defense Suzette Haden Elgin, 1989 In this volume, the author extends her remarkable self-defense tactics against verbal abuse to the business world. Using fully dramatized scenarios that make effective business communications as exciting and suspenseful as a novel, she shows you how to quickly recognize verbal abuse ... gently defuse it ... and replace it with clear, courteous, effective communication.

The Gentle Art of Verbal Self Defense at Work Suzette Haden Elgin, 1999-12-01 For some employees, verbal abuse can be the everyday language of doing business. Defending yourself from these verbal abusers—calmly, professionally, and successfully—can be crucial to your on-the-job success. Nationally recognized linguistics expert and author Suzette Haden Elgin applies her acclaimed techniques for combating verbal attacks to common workplace situations. Powerful yet unthreatening, her proven strategies will help you recognize and defend yourself from verbal abuse—everything from casual obscenities and racist or sexist language to sarcasm, cutting jokes, and subtle put-downs. Richly illustrated with fully dramatized scenarios and real-world examples, Dr. Elgin's communication techniques will help you instantly take control of any verbal confrontation. You'll also learn how to avoid "malpractice of the mouth" and sexual harassment; communicate sensitively and clearly with non-native English speakers; and project a strong, straightforward, and trustworthy image. You'll find tips for handling sensitive issues via email and voice mail, advice on meeting the communication challenges that face home-based and virtual businesses, and plenty of "workouts" placed throughout the book to give you valuable opportunities to practice your new skills. *The Gentle Art of Verbal Self-Defense at Work* is your roadmap through the potentially career-

threatening minefields of workplace communication.

Staying Well with the Gentle Art of Verbal Self-defense Suzette Haden Elgin,1990 In this book, the author shows you how her revolutionary system of language behavior can guide you to better health and help you overcome stress-building hostility and develop strong social support networks; defuse tension, minimize conflict, and increase peace of mind; replace harmful negative thinking with healthful positive thinking; perceive yourself as someone in control rather than as a victim. In addition, you'll discover several simple techniques to help you feel in control over painful symptoms. You'll also see why your body's natural painkillers are more effective than any pain pill could be.

You Can't Say That to Me Suzette Haden Elgin,1995-03-10 You can't say that to me! Can't you do anything right? I

can't believe you would feed that junk to your child! What is this? And don't tell me it's a casserole, I already know that. If you really cared about me, you wouldn't behave this way. Sound familiar? Each of us occasionally feels the sting of very unpleasant language from those who are closest to us--spouses, employers, friends, relatives. But frequent and repeated use of unanswerable questions, scolding accusations, sarcasm, insinuations, and even icy silence is more than simply unpleasant; it is abusive, destructive, and frequently leads to escalating arguments and physical violence. Suzette Haden Elgin, creator of the Gentle Art of Verbal Self-Defense, has developed a unique and revolutionary way to break the cycle of verbal violence and eliminate it from your life--without ruining your marriage, risking your job, or alienating friends or loved ones. Dr. Elgin shows you how to neutralize verbal attacks and discourage future abuse with:

- * An 8-step program that helps you recognize the patterns of verbal abuse
- * Specific language techniques that enable you to avoid escalating arguments and break the cycle of abuse using skills you already possess
- * Questionnaires and diaries that help you analyze abusive situations, evaluate your responses to them, and track your progress

In this book Dr. Elgin proves that verbal abuse is not caused by human nature, but by language. She helps you discover that you are an expert in your own language, already highly qualified to solve this problem for yourself, quickly and forever.
