**word choice - "As following" vs "as follows" - English Language ...** Which of the following sentences is more appropriate? The reasons for these decisions are as following: The reasons for these decisions are as follows: This operator is defined as following: This *Difference between "assist in" and "assist with"* "a senior academic would assist him in his work" and, after a bullet point with the following extra explanation: help by providing money or information. "they were assisting police with their inquiries" So is the distinction between in and with really tied to the definitions above, or are these example sentences just a coincidence? *grammar - "the example below" or "the below example"?* - English ... Jan 17, 2014 · I am wondering which one is a proper structure for an academic writing text? the example below or the below example Following vs followings - English Language Learners Stack ... Jan 19, 2017 · 1. Select one of the options from the following. 2. Select one of the options from the followings. I thought till now that sentence 1 is right and 2 is not used. But I have seen a recent questio... Should I use "with" or "from" in the following sentence? Jun 26, 2017 · "I might be light, but I'm strong. Thanks to the exercise I get with/from my weight vests." What's the correct option and why? **grammar - "Which of the following statement" or "which of the ...** Jan 8, 2018 · I have seen both expressions online. I don't think "which of the following statement" is grammatically correct but I'm not a native speaker so I'm not sure. Which one of them is more reliably correct?

**definite article - "The following" vs. "Following" - English ...** The definite noun phrase the following examples contains enough information for the reader to identify which examples are being talked about. The examples that the definite noun phrase refers to are the ones that are about to be mentioned. Next year. Vs in next year - English Language Learners Stack ... Depending on context, "I'll see you next year." usually would mean the early part of the year and is more habitual, whereas "in the next year" can mean any time within 365 days and would probably mean later in the year or possibly even the following year than just "next year". word usage - using "next" to days of the week - English Language ... Apr 13, 2017 · This question reminded me of a debate I have with non-native English speakers. If today is Thursday and I say that something is to happen "next Saturday", does that mean the "Saturday in two days... *How to say "on page x and the following pages"?* "Page 42 and the following pages" sounds correct. This could be shortened to "page 42 and following pages" (since you aren't

specifying the exact number of following pages, it's some following pages, so the null article works), or perhaps even to "page 42 and following" (without the, it doesn't look like a noun is missing any more).
