Last Light Claire Kent, 2019-11-13 It only took four years for the world to fall apart. Now the last member of my family has died, and I'm forced to travel across what's left of three states to find the only people I know left alive. To survive, I'll have to salvage food and supplies and try to avoid violent men who've learned they can take what they want by force. The only way I'm going to make it is by trusting Travis. Travis used to fix my car, and now he's all I have left in the world. He's gruff and stoic and unfriendly, and I don't really know or like him. But he's all I have left. He'll keep me safe. We'll take care of each other. Until we reach what's left of our town and can finally let go of one another. Last Light is a standalone post-apocalyptic romance set in the near future after a global catastrophe.

The Last of Something Susan Kelly,2013-08-13 They've been friends since their college days—Shotsie, Bess, and Claire—and the twenty years since have gotten them husbands, children, mortgages, assorted body patches, one handgun, a hysterectomy, and lots of neuroses. Still, at least once a year they again have one another. And Ian. This year, in this affecting, sly, bittersweet novel, they are gathering along with their husbands at Dune Ridge on the coast of North Carolina near the close of summer. Only this year their circle is incomplete. Because Ian—wildly irresponsible Ian, the enigma Ian—does not show. His young, new wife does, however, and no matter what romance Ian may have shared with Shotsie, Bess, and Claire in the past, it's the dewily beautiful Nina who is bearing his child. For sure, a hurricane is heading menacingly their way, and neither friendship nor memory, any more than a creaky seaside cottage, can grant them safe harbor. In old stories new truths unfold.
